Club Memberships 2016/17

BECOME A KROONER

2016/17 Memberships & Season Tickets

For the forthcoming season, Camberley Town F.C have put together some exciting membership packages, to cater of all of its fans.

Our memberships bring you an exclusive members pack, containing a club scarf, hat, key-ring, pin badge and personalised I.D card.

The I.D card entitles you to a reduction in the price of a ticket at the turnstile.

Plus, being a Krooner member automatically enters you into a free monthly draw, in which you can win prizes such as free tickets, signed match ball and many other great items.

We are also very pleased to announce we have improved our season tickets.

Why not take advantage of the 'money off' voucher in your membership pack to purchase one of your very own?

'Red Krooners' can claim £30 off the price of their season ticket, with a valid voucher. Upon purchasing a season ticket, you are entitled to watch every single home game at Krooner Park, for free (**except cup games with a shared gate**).

It's superb value for money and an opportunity the club hopes you, your friends and family will take.

The club needs your support. We understand how absolutely vital it is for us, so we want to say thank you. We really hope that through these memberships and season tickets on offer, we are taking steps in doing so.
