# Management Mutterings

( these notes were written before the Colliers Wood away game)

Good evening everyone,

The match against Redhill was a game that we could really have a go and test ourselves against a play-off team. JC and his team are well equipped all over the park, so we knew this was going to be a proper test of character to see whether our boys cannot only match up against another play-off side, having recently picked up draws against Knaphill and Jersey, but to do one better and win.

The whole game was a physical battle and direct too. There were not a lot of chances for either side, but we made the breakthrough around the half hour Mark from an error and we capitalised on that to go ahead, but apart from that it was a very even contest in the first half.

Second half was the exact same only this time we scored an absolute worldie to drop Redhill spirits for them getting anything out of the game.

Where credits due, Redhill never gave up and they were in the ascendancy towards the end, but we held on for a deserved win Which put ourselves in good spirits ready for an even bigger contest against unbeaten Farnham Saturday.

Farnham. What can we say about Farnham. we tried, we battled, we worked hard and can hold our heads high. But Farnham are unbeaten for a reason. Really positive knowing we competed with them physically. Two set piece goals from Farnham was enough for them to take the three points.

If you look at it as a teams perspective, Going 0-2 down at the half by two set-pieces, It's difficult to take because you try and prevent that from happening. But where credit is due to my players, Farnham failed to score from open play. And the second half was a stalemate. We tidied up a bit better in regards to both defending and attacking set pieces in that second half which was good. They had one other set piece chance which was really well saved by us, and we go down the other end of the pitch and not only hit the post but the crossbar as well. You just know it's not going to be your day to break Farnham but we can hold our heads high.

With the last few weeks we've had knowing we're facing everybody in the play off spots and picking up some deserved points, Krooner Park can be a tough place to play.

Enjoy the game.

**Home Colours | Red & White**

**Away Colours | Blue & White**

**Ground | Krooner Park**

**Capacity | 1,976**

**2022 - 2023 | 10th Combined Counties Premier South**

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

## GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

## From the editor

I'd like to wish you all a warm welcome to Krooner park for today's match against Alton FC. I'd especially like to welcome the players, management, committee and supporters who have made the trip here today. We would also like to welcome and thank our Sponsors Michael Usher who have again shown their support for Grassroots football.

As you will see elsewhere in the programme we were saddened to hear the news that Eric Howard passed away a couple of weekends ago. Eric was a mainstay of the club for over 10 years from the 1994-95 season and will be sadly missed by so many. He held various posts in the club from reserve team manager, 1st Team Assistant manager and was also Caretaker Manager for the 1st team for a while. You only have to see social media to see how much he meant to so many People. RIP Eric

It seems fitting that we remember Eric today on Non-League Day 2024 as someone who gave so much to Non-League football. Hopefully we will see extra numbers through the gate today both to support the team and to help Camberley Town Youth in the fundraising.

Anyone reading this today that isn't on X ( formally Twitter ) please follow us on there as that is the best place to get short notice information and keep up to date with anything going on at the club over the summer.

On the evening of Saturday the 13th April at 7pm we will be hosting a race night at the club, would be a great way to make a day of it, watch the game stay to watch the Grand National and then onto the race night.

Everyone is welcome. It would be great to see you and please bring anyone you can along with you. These night are a great way to get to the heart of the club and feel what a friendly place it is to be.

# Alton FC

Formed : 2016

Home Ground : The Exclusive Networks Stadium

Last Season : 13th Combined Counties Premier South

The present Alton FC was formed in July 2016 with the merger of Alton Town and Alton United Youth Football Club. This came about following years of negotiations with the brewery regarding the Bass Ground.

Alton Town returned to their spiritual home at the Anstey Park Enclosure in December 2015. The merger with Alton United Youth Football Club formed one club for the start of season 2016-17, with teams encompassing all soccer from minis up to FA Step five standard with girls, men's, ladies and Veterans teams. Alton Town was formed in 1990 when Alton's two senior clubs, Alton Town and Bass Alton, amalgamated. Alton Town had been fantastically successful, winning everything in Hampshire in the period from 1948 to 1956 including Hampshire leagues Divisions 3, 2 & 1 (1948, 1949 & 1958), the Hampshire Intermediate Cup in 1949, the Russell Cotes Cup in 1949 and the Hampshire Senior Cup in 1958.

Alton Town first joined the Hampshire League in 1947 and won Division 3 East in their first season. More success followed with the Division 2 title in 1948/49 and they also won the Russell Cotes Cup and Hampshire Intermediate Cup that year. Although they dropped to Division 2 for one season in 1954/55, they bounced back immediately and went on to win both the Division 1 championship and the Hampshire Senior Cup in 1957/58.

They stayed in Division 1 until they left in 1973 to join the Athenian League Division 2 which they won in their first year. After an initial period of success in that league the Club found itself unable to compete and dropped down to the Combined Counties League before returning to the Hampshire League in 1984, starting at the bottom in Division 3. They found themselves in Division 2 in 1986/87.

Bass Alton started life as Courage & Company (Alton) FC and joined the Hampshire League in 1928/29. The following year they were in Division 2 and then won promotion to Division 1 where they stayed until being relegated to Division 2 in 1938/39, just before the club was disbanded for the War. Courage rejoined the North Hants division briefly in 1954/55 before beginning their longest spell in the County League in 1972/73 when they entered Division 4. Promoted to Division 3 in 1975, they only lasted two years before dropping to Division 4 again.

# Alton FC

Formed : 2016

Home Ground : The Exclusive Networks Stadium

Last Season : 13th Combined Counties Premier South

In 1979/80 the Club changed its name to Bass Alton FC and its fortunes changed with the name as they won promotion in successive years to Division 3 in 1979/80, to Division 2 in 1980/81 and to Division 1 as Division 2 runners-up and the end of the 1982/83 season after a 45- year absence. Since the amalgamation, the Club played in the Hampshire League and achieved promotion to the Wessex League by topping the Premier Division in 2002, while not setting the world alight, we were moved to the Premier Division of the Cherry Red Records Combined Counties League from season 2013-14. In 2014-15 we reached the final of the Basingstoke Senior Cup, narrowly losing to Hungerford Town after extra time.

Season 2015-16 saw Alton Town moved back in the Sydenhams League (Wessex) after the FA re-organisation of step six. After a few years of indifferent performances, we went for a more local management team as we looked to encouraged the flow of players from the Youth set up through to the First Team, with this seasons Reserve Team taking on a younger development team course. Following the FA Restructure of the pyramid and two successful, albeit aborted seasons we have were promoted to step five and the Wessex Premier Division for season 2021-22. A middle table finish was followed by more lateral movement as the FA moved us back to the Combined Counties League Premier Division South, for season 2022-23.

The 2022-23 season, was the 75th year of Alton Town, with the launch of a book just before December to celebrate this. With continued support from main sponsors 'Coomers' the long term future for the club after years of uncertainty looks bright.

# Goodbye Eric

We heard the sad news that a couple of weekends back, a long term friend of the club Eric Howard passed away. ( Eric is pictured on the Programme cover in the Grey t-shirt )

Eric Joined us in the 1994-95 Season from previous being at Egham & Bracknell, and stayed a part of the Camberley team right through to the 2006-07 Season.

He held so many posts within the club, from Reserve Team Manager, Assistant manager, 1st team caretaker manager as well as the other jobs that Non-league folks get roped into.

We recently celebrated 25 years of our FA Cup 1st round appearance at Brentford and Eric was Assistant Manager on that day.

Everyone at Camberley would like to extend our deepest condolences to Eric's Family and Friends at this difficult time. Football and footballers in the area certainly benefited from having Eric around.  
RIP Eric

£50K FOR 50 YEARS

CELEBRATING 50 SEASONS IN THE COMMUNITY

Season 23/24 is the 50th season of football for Camberley Town Youth F.C. I wonder if the founders envisaged that it would still be around 50 years on with over 60 teams and the possibility, this season, of topping 1,000 players. It's a wonderful achievement for our community that this Club is still going and we get to provide football for so many young people.

Having been connected to the club for part of those 50 years, you will be aware of the clubhouse that stands on South Camberley Primary School, formerly Watchett's Junior School, built by the founders of the club along with many volunteers. Sadly, the clubhouse has not really been fit for purpose for a few years now, and really needs replacing for something that can be used as a base for the junior side of our club.

With this in mind, the club has launched a campaign to raise "£50k for 50 years" with the ambition of safely removing the clubhouse and replacing it with something that will be of great benefit to the wider community, and can help the club continue to thrive and grow.

We have many fundraising events planned for the year but part of our campaign involves a Go Fund me page that we are trying to share with as many former coaches, parents and players of our club in the hope they can make a donation and help us achieve something amazing for our 50th year.

Anything you could donate would be gratefully received, and when the project is complete I would love for old members to come and visit and see what they have helped create. In return, please share this link with as many people or organisations as possible including anyone who may have been connected to Camberley Town Youth in the past. Help us to continue creating great friendships and memories through football for many years to come.

# Today's Mascots

The U11 Royals, Rockets and Reds are delighted to be the match mascots today and to help celebrate the youth divisions 50th year celebration. The CTYFC girl's division has been running for 4 years with its home at Tomlinscote school. The U11s are in their 3rd season and now have 3 teams, 34 girls from 11 local schools. The girl's division accounts for 20% of the club.

The Lionesses have been a huge inspiration to the girls. Every Week the girls burst onto the pitch with impressive skills, unwavering determination and camaraderie. These girls represent the future of women's football with their unique qualities that contribute to the vibrancy and growth of the sport.

Recruitment is a key part of our development. We run teams from 7 to u18. The girls division are always looking for more players and are really keen to have more female coaches. If you are interested please reach out to [michellescrivener@hotmail.co.uk](mailto:michellescrivener@hotmail.co.uk)
