Camberley Town v Balham

2-9-25 Report by Freddie Snell

Camberley headed into Tuesday's game on a three match unbeaten streak, Balham were hoping to end that run. Both teams started by trying to take control of the game. Balham threatened through a succession of long throw-ins, and the Krooners' Shane Qoloni forced a save out of James Smith. The Krooners broke the deadlock in the 33rd minute. Top scorer Qoloni time his run perfectly to eBay Balham's defence, getting on the end of a long ball, before rounding Smith and finishing into the empty net. The game began to heat up not long after, a few rash tackles from both teams ramped up the ante on what was turning out to be a feisty affair. They say the perfect time to score is just before half time, and that is what the Krooners did. A breakdown in communication in the Balham defence gifted the determined Jamie Hoppitt the opportunity to steal the ball. He did so, beating Smith and, like Qoloni, slotting into an empty net. The Krooners seemed to be flying and well in control of the game. However, Balham also liked the idea of scoring before the interval. A deep corner was met by the free head of Mark Palmer was blocked on the line, however, Olly Meadows reacted fastest to stab the ball into the net from a matter of yards out. 2-1 to the Krooners at the break, Balham with a foothold back in the game. McKenzie Clayton and Hoppitt came closest to extending the hosts lead. Clayton first fired into the side netting from a corner. Hoppitt, found by Stan Pickup, then headed off the post following a free kick. In the 70th minute, the game's most controversial moment occurred. Camberley recycled the well, substitute Mikey Milchev-Szczepaniak delivered an inch perfect cross seemingly onto the head of Hoppitt, with the ball flying into the back of the net. However, the ball was deemed to have struck the hand of Hoppitt instead of his head by the team of officials, the goal being chalked off for handball. This fueled Balham's fire to continue pushing on and they were rewarded in the 75th minute when they were awarded a penalty after a handball in the hosts box. James Anderson stepped up and dispatched the penalty confidently into the bottom left corner. The game was now level heading into the final ten minutes. Both teams pushed for a winner heading into added time, and Balham were successful in their endeavours. A tussle on the edge of the area led to the ball being poked back towards Balham's Marlon Gavilanes. He unleashed a powerful effort from 25-yards which arrowed into the top left corner, sealing a comeback win for the visitors, and sending their players and fans wild with delight. This result condemned Camberley to a first defeat in three.

Redevelopment

For those of you who may not have heard we have finally got the approval for the development of the ground.

We would like to thank the councillors who unanimously voted it through at the planning meeting on the 22st August.

Now the fun and games start. We'll try to keep you as updated as possible in here and on social media.

2024 - 2025 | 16th Combined Counties Premier South

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign. 2023-24 & 2024-25 were disappointing seasons which were entered into with the hope to push on from the prior years and maybe see if we could get in the top 5 for the playoffs. 2025-26 We go again.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required. Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

Redhill

Formed : 1894

Home Ground : Kiln Barrow

It all started back in 1894, after a meeting between prominent local businessmen in the Warwick Hotel and shortly after, a friendly match was arranged against a Dorking side. That game ended in a two all draw and was played at the club's original home at "Wiggie" a ground lent to the club by their goalkeeper, Mr. H Trower.

Two years later, the club moved into its stadium of 88 years at Memorial Park in the centre of Redhill. At the time, the ground was an open swamp, until proper drainage was installed, which was accomplished under the auspices of a Sports Ground Association, an organisation that lasted until 1919. For the first few years, the club only competed in friendly matches but that all changed in 1898, when Redhill Football Club entered the South Suburban League, followed by various other leagues, that, unfortunately, have since folded.

It didn't take long for the Red's to make an impact; The club were Champions of the East & West Surrey league in 1902/03, and two years later, lost in the Surrey Senior Cup final.

Redhill became members of the Athenian League in 1923 and remained there until the league's demise in 1984. Success came early, being runners up and champions in their first two seasons in the league.

In 1925/26, the club enjoyed possibly its best season; reaching two cup finals and reaching the semi-final of the FA Amateur Cup, losing to Northern Nomads at Arsenal's Highbury stadium in front of 17,000 people. A possible contribution to the final result of that game was the fact that Redhill lost their goalkeeper very early on with a severe jaw injury, this sparked off an unusual football tradition that can still be heard today. Without a 'keeper and down to 10 men, Redhill were reduced to kicking the ball out the ground every time the Nomads attacked and each time, a cry of "Redhill!" was screamed by the supporters of both sides. Over the years this spread around the entire country as both Redhill and the Nomads travelled the land and when war broke out in 1939, the troops took it abroad. Next time you're at a game, anywhere in the world and the ball is booted out of the stadium, you might just hear someone shout "Redhill!"

In 1949, Redhill lost to Arsenal 1- 0 in a friendly that was offered by the Gunners after Redhill provided them with two of their best players at the time; Colin Grimshaw and Bernard Sexton.

In 1957/ 58, Redhill reached the FA Cup 1st Round Proper for their only time. After beating Tooting & Mitcham in the previous round, the Reds travelled to Norwich City, only to lose 6-1, but many write ups at the time gave Redhill plenty of credit for their performance.

Redhill

In the 1960's, A very talented youngster by the name of Ray Hutchins played for Redhill. Not many people in football circles will know the name, but in 1963/64, he won 2 England youth caps whilst playing for Redhill. The other players in the squad were playing for top professional clubs, and one of players was a certain Harry Redknapp playing at the time for West Ham United.

After winning the final Athenian League title in 1984, the Reds were moved into their current home, Kiln Brow. Lack of facilities meant the club could not take their rightful place in the higher league and instead found some success in the London Spartan League, before moving to the Sussex County League in 1988. After many brutal years of ups and downs, following hard work by many club officials and supporters keeping the club alive.

Redhill eventually found themselves as runners-up of the Sussex League Division One in 2013, winning promotion to the Isthmian League Division One (South). Redhill's time in the 'Ryman' league was relatively short lived. They finished 3rd from bottom in the relegation zone in their first season but survived when offered a reprieve. The Reds were not so lucky in 2014/15, finishing 2nd from bottom. Again, a reprieve was offered but to play in the Southern League—South & West Division. This was turned down based, amongst other reasons, travel logistics and the financial implications. After back-to-back relegations, the club needed a positive season to build on. The 2016/17 season gave the club that platform, finishing runners up in Combined Counties Division One and gaining promotion, whilst also finishing runners up in the Division One Cup.

Redhill FC won the Combined Counties Premier League Cup in 2020/21 beating Ascot United on Penalties at Cobham FC.

Manager Jordan Clark arrived at Kiln Brow in the last quarter of the 2022-23 season, bringing in his management team and setting about building a new squad at very short notice to complete the last few fixtures.

In 2024 the club entered its 130th year and also 40 years at Kiln Brow.
