# Management Mutterings

Merry Christmas!

It seems like only yesterday that I arrived at Watchetts for pre season in much warmer times. I would like to welcome everyone at Fleet Town to Krooner Park. With my son having enjoyed his time playing there it will be nice to catch up with some familiar faces like Tommy Taylor and Caroline & Dan Bone. Whilst I hope the off-field experience is good for them I hope on field events do not go their way!

Fleet Town today become the fourth team that we will have already played twice this season. We visited them on a sunny August bank holiday Monday and came away with a 3-1 victory. This makes matters much harder today and our opponents have undergone a change of management since that day so nothing can be read into it. I hope it is an enjoyable game for the neutral and that we are on the right end of the scoreline.

We continue to be frustratingly inconsistent. When we are good, we look very good, it is just a little bit too patchy that we hit those heights. The performance in our last home game against Sandhurst Town was excellent and rightly ended with a 5-0 victory.

Unfortunately, we followed that up with a disappointing 1-1 draw at Sheerwater, a game we could and should have won comfortably. This is no disrespect to Sheerwater, more that we had numerous chances and conceded a really poor equaliser. I think the lads were made well aware of our frustrations afterwards but in truth the performance, generally, was okay. There is an argument that you should go away, analyse things and calm down rather than talking in the heat of the moment but I think it is important that things are got off your chest while emotions are high so you can move on. Every single player, every single part of the management staff and every single club official and Krooners fan wants what is best for the club so, for me personally, a frank exchange is healthy.

We travelled to Bedfont Sports on Tuesday night for a CCL cup game. Their ground is the best in the CCL in my opinion and something that should be aspired. We put in a decent performance against an experienced, play off chasing side only to lose on penalties having restricted them to very little of note. Nothing to be ashamed of in that and it just goes to show that we can compete against the best.

Finally, please enjoy the game and have a safe and peaceful Christmas and New Year.

*Shazza*

**Away Colours | Blue & White**

**Ground | Krooner Park**

**Capacity | 1,976**

**2022 - 2023 | 10th Combined Counties Premier South**

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

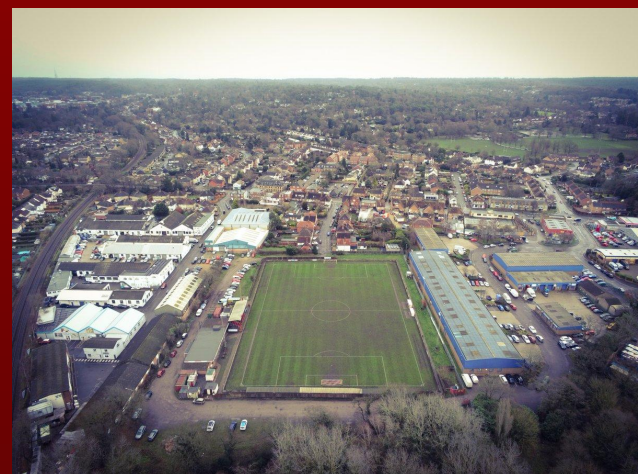

## GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 26 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

## From the editor

I want to wish you all a warm welcome to Krooner park for today's match against our visitors from just over the border, Fleet Town.

I'd like to welcome, the Players, Supporters and officials of Fleet Town, but also our visitors from Under 7 Royals on mascot duties. ( you can read about them later in the programme) Lets give a special welcome to their parents too, who, without they wouldn't get to enjoy the game they love. Its great to see you here today. Hopefully some of you will become regular visitors.

In our last home game we got a deserved win over Sandhurst Town, it was a great feeling all round to finally put together a complete performance, we have seen flashes of potential all season, so it was great to watch 90 minutes of what we know the team can do.

I'm going to use these notes to say Thanks to Guy Nash who I'm sure some of you will know for the photos he has been taking for us over the last few weeks. As always happens at clubs like ours you pop over to watch a family friend play ( Olly Manning ), then you pop over again and before you know it you are roped in. Guy takes brilliant photos and it is appreciated by everyone.

But, as Guy is keen to stress, he isn't our official Photographer, but even so does a blinding job as our un-official one. Luckily for us, he supports Chelsea so will be there for some matches but as they rarely ever seem to play on a Saturday afternoon we get the benefit. Many Thanks Guy

Today is our final home game before Christmas so on behalf of everyone at Camberley Town I want to wish all of you that celebrate Christmas a fantastic time, whether you spend it in Chaos or quiet, enjoy it. If Christmas isn't your thing, then I hope you get to enjoy spending time exactly as you want to.

As ever, we thank you for your support, it really does encourage the players, the management and everyone else at the club.

Enjoy today's game and get behind the Krooners. COYKs

# Fleet Town

Formed : 1890

Home Ground : Mustard Seed Stadium

Last Season : 18th Combined Counties Premier South

Fleet Town FC was officially formed in 1890, making it the oldest sports club in the town. The centenary was celebrated in 1990 with a special Scroll being presented by the Football Association to the club, together with a commemorative plaque from the Hampshire FA. In its early years Fleet FC played at the bottom of the Views where Campbells Close is today. Later they moved to Watsons Meadow in Fleet Road, roughly opposite where Travis & Perkins now stands, at the station end of Fleet Road. It was during this time that a young, future Prime Minister, Clement Atlee played for the club, his aunt living in a house that backed onto this original ground. In 1923 Lord Calthorpe of Elvetham Hall made available the site of the present ground in Crookham Road, and the club moved to its new home playing their first match on 3rd March 1923. The ground was subsequently bequeathed to the District Council and later the Fleet Town Council, with the proviso that it would continue to be for the use of the Town's football club. In 1953 floodlights were installed for the first time. The club entered the Hampshire League in 1961. From then on Fleet Town FC gradually moved through the Divisions, eventually moving into the Wessex League for the 1989/90 season. After six years of steady progress, the club gained promotion to the Southern League as Wessex League Champions. In 1999/00, its fifth season in the Dr Martens Southern League the club finished bottom and returned to the Wessex League. Within a few seasons the club returned to the Southern League, winning promotion under Player/manager, Steve Beeks. Playing in the Ryman League the 2005/06 season began with a new management team of ex-England International Andy Sinton assisted by Steve Mellor. In their second season together this new team saw their side top the table at Christmas before they finally finished in 5th place. In a pulsating play-off semi-final they lost 2-1 to Tooting & Mitcham, with the London side scoring twice in added-on time. The team also reached the final of the Hampshire County Cup, losing 2-1 to Aldershot, the game being played at AFC Bournemouth. For season 2007-08 the Club were moved by the FA to the BGB Southern League, South & West Division, and again had a record breaking season. Right up until the last few games they were in with a chance of automatic promotion but eventually had to accept 2nd spot behind Farnborough. This however was their highest ever non-league finish and again played in front of record crowds. It was heartbreak in the play-offs though as the team again lost in the semi-final, this time to an injury time penalty that gave Uxbridge a 2-1 victory. Fleet also went their furthest in the FA Cup before losing 2-1 at Havant & Waterlooville in the 3rd Qualifying Round. Season 08/09 had the club on the move yet again with promotions/relegations elsewhere meaning that Fleet returned to the Ryman League, South Division. Andy Sinton's side again broke more records as the team won four cups, including the prestigious Hampshire Senior Cup when over 1,200 witnessed victory over VTFC at St Marys Stadium, Southampton, to fleet town fc a brief history today's visitors send the cup to Fleet for the first time. In addition the team also won the Russell Cotes Cup, Aldershot Senior & North Hants cups. They again progressed to the 3rd Qualifying Round of the FA Cup before losing 5-2 in a bruising encounter at AFC Totton. May 2010 brought major changes at the club with Chairman Graham Smith stepping down and this was shortly followed by manager Andy Sinton resigning to join AFC Telford United.

For the new season Steve Mellor stepped into the Manager's shoes. A largely new Blues side finished a credible 13th. Season 2011-12 again saw Fleet Town move as they were switched back to the Southern League after a three year absence, this time placed in the Division One Central. However results were poor and after a run of defeats and exiting the major cup competitions Mellor left in November 2011 to be replaced by Craig Davis as player/manager. Despite some improved displays, the Blues faced relegation after ending the season in 21st spot. However, due to circumstances elsewhere in the Football pyramid Fleet Town gained an FA reprieve and retained their place as a Southern League club, to play a 2nd season in the Division One Central for season 2012/13. In July 2012 Steve Cattle became Chairman and the club enjoyed an improved Southern League season, finishing with 4 teams behind them, in 18th spot. Following the end of the season Fleet Town were again moved, this time within the Southern League to Division One South & West. After several difficult seasons the 2015/16 season saw Fleet moved back to the Division One Central, and they enjoyed 3 successful seasons with league status retained and the winning of the Aldershot Senior Cup and the North Hants Senior Cup in 2017. However, 2018-19, Fleet's 17th consecutive season at this level, brings new challenges to the Club as against their wishes, they have been laterally moved to the Southern League South with long journeys ahead including two to Devon. With Chairman Alec Grant at the helm the Club is moving forward and getting the infrastructure right and as a result the feeling at the Club is one of optimism. Sam Waters is the new Head of Football with Dave Kelly as manager and with their reliance on youth the Club are looking for stability and progress after the turmoil of the close season. A very tough season with multiple managers and chairpeople led to little consistency. 2019-20 started with Fleet back in the Wessex League Premier Division after relegation from the Southern League South Division. Moving forward a new committee is in place and with Dave Kelly continuing as manager and many players returning it is hoped that much of the consistency lacking from last year will be in place this year. The team were solidly in midtable when covid caused an end to the season. The club focussed on rebuilding the club infrastructure, with much work taking place on the pitch, in the clubhouse and around the ground. 2020-21 saw a second season in the Wessex League. Dave Kelly remained as manager and the team kicked on with new players, still with a focus on developing young players. The team reached the 1st Rd of the FA Vase for the first time in many years. Work on the ground continued and the future is starting to look better at Calthorpe Park. With the FA's reorganisation taking place over the summer Fleet moved leagues yet again and for 2021- 22 played in the Combined Counties Premier League Southern Division. At the start of 2022-23 we created our "community club". Then with Dave Kelly departing late in 2022, the club appointed a new manager, Jermaine McGlashan to take over the first team. Jermaine was given the task of keeping the club at step 5. After many ups and downs, finally on April 26th our safety at step 5 was confirmed. During the close season a new squad was built for the 2023-24 season and has had a reasonable start seeing the club around mid-table in mid-October. Unfortunately Jermaine has now departed to manage fellow league side AFC Croydon Athletic and we have now appointed Elliott Hunt as first team manager. We look forward to seeing the progress of this great group of players. Elliott is assisted today by coach Luke Barron and Club Medic Teagan Brown.

# Welcome Today's Mascots

The U7 royals have been together for just over a year, having started with Darren Barnard's little kickers. During the summer, the boys entered 5 tournaments, coming away undefeated throughout each one - with all supporters excited about what the upcoming season could bring.

Upon September, the Royals faced their first game in the NEHYL against a Fleet Town side, coming away victorious with an 11-1 win. Since that game, further victories over 2 Crookham teams, Aldershot, Mytchett and Farnham lead the boys to being put into the top division after the half term break.

The first game in the new league saw the Royals face a strong Yateley side - our best performance so far. The boys came away victorious in a great 9-3 win and have since gone on to beat Theo Walcott's Farnham Town team 8-0 and Crookham Rovers' strongest team 8-4 in a tasty contest.

## Team information:

**Aarav Dasoar AKA 'The Wall'** - A strong and composed defender who is growing into his role each week, a good understanding of the game and has the ability to stride forward and contribute goals as well.

**Adrian Cader** - Our celebration guru Adrian is a skillful and tricky attack minded player that always has a smile on his face, he has had some great performances this season and scored some key goals.

**Bodhi Edge** - Bodhi's dedication to football is fantastic, a great dribbler with an amazing, rocket like shot with both feet has led to the striker being picked up by multiple professional clubs as well as the Royals top goal scorer this season.

**Jack Strangwick** - Jack's snake like hips has led to some incredible dribbles this season, great energy around the pitch and often popping up on the scoresheet with some great strikes and important goals.

**Jake White** - Jake possesses great speed, strength and bravery which have helped in many performances this season. He's improving every week and always plays his part for the team, a wonderful boy and a key member of our team.

**Joseph Grace** - JJ's overall game play is exceptional, he has great ability and game understanding, sadly not always with us due to his commitments with professional clubs, but always brings a great effort and attitude when he's involved.

**Rafe Jones** - Rafe is our midfield General, his passing and dribbling have often led to multiple assist this season, as well as demonstrating incredible game understanding and energy which have proven vital in performances this season.

# Principle IN PRACTICE

"In life when you look at records that have been broken or things people didn't think could ever be done, you have to tell yourself that anything is possible.  
At the 2018 World Cup in Russia, we wanted to attack the tournament and focus on what might be possible. I think in the past with England we have been too worried about what could go wrong. That's been the focus instead of what we can achieve.

We put to one side past records, what other teams have achieved or what might have occurred in previous tournaments. We didn't think about what would happen if we didn't get out the group or what would happen if we didn't win a particular game. I have been through the most difficult thing, in a professional sense, that I am ever going to experience with that penalty miss, so I know better than most the importance of a defiant mentality.

While we wanted to respect our opponents, we were always thinking how we could win every game, how we could perform as well as we possibly could and we were thinking about enjoying the experience.  
Fortunately with our young squad, that attitude of fearlessness was forthcoming and something we were able to cultivate. I was very confident in their ability before the tournament and the energy, belief, excitement and enjoyment that young players bring, helped us to perform.

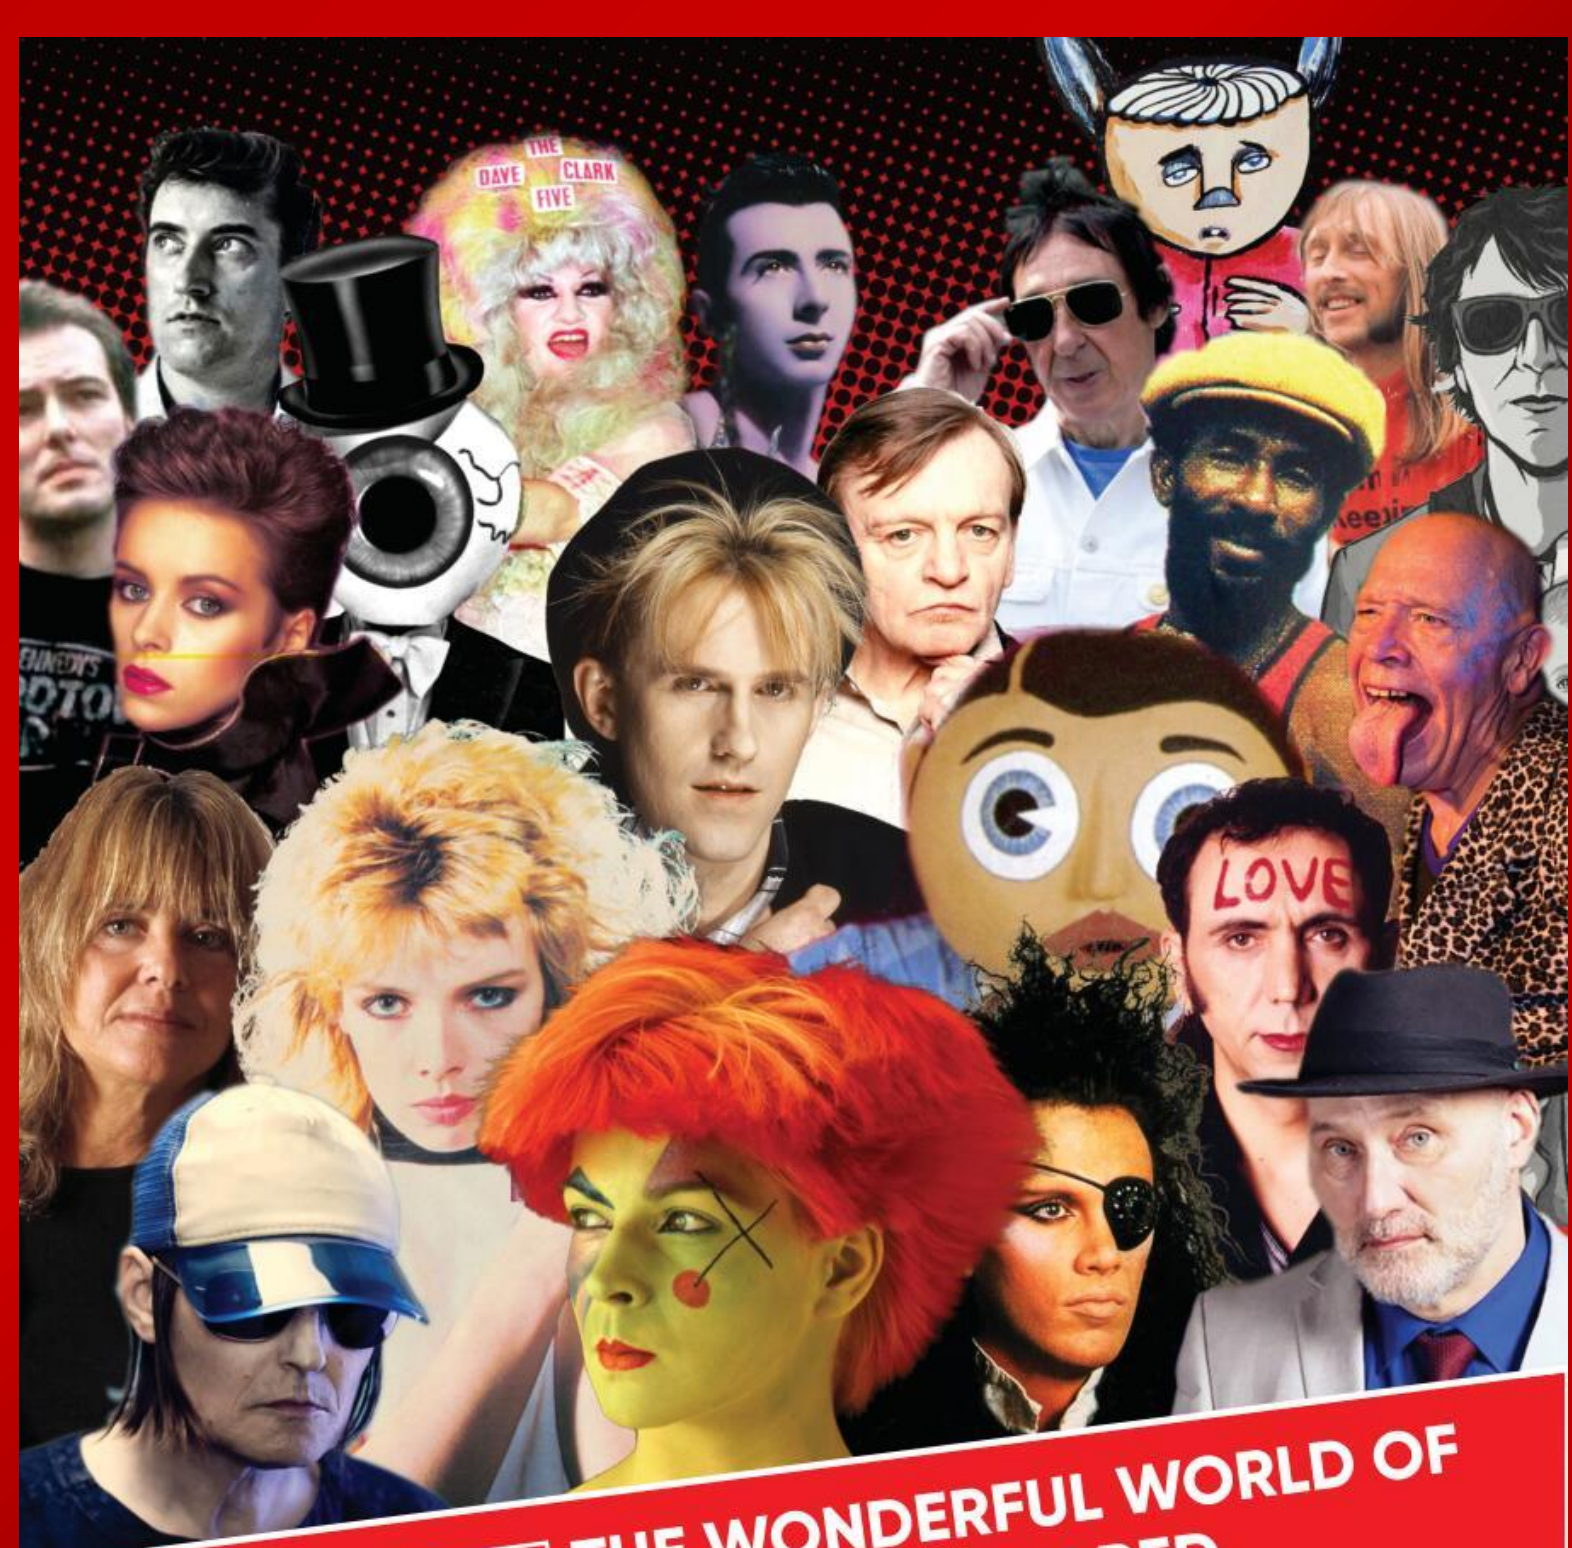

I said before the tournament success would be that we have come back from Russia proud of what we have done. Though we would have liked to have gone further, we were proud of our performances and how we represented ourselves which is credit to the squad, the staff and the supporters for being part of that 'anything is possible' mind-set."

**Gareth Southgate**  
England Manager
