Management Mutterings

Good Afternoon all.

I would like to extend a warm welcome to officials, players and fans of Farnham Town.

Since my last programme notes, performances have generally picked up with the usual dusting of inconsistency dropped in.

Jersey away was really impressive for us. I, personally, was really pleased with the performance - defensive discipline was brilliant throughout and we showed an attacking threat for large parts of the game.

Tuesday night was a great performance against a good Redhill side who should be in the playoff positions come the end of the season. Lets carry that mentality onto today.

The rest of the season is about building good habits and climbing the table as much as we can. As the gaffer says, we always perform against the top sides so hopefully this week comes with two really strong performances.

2022 - 2023 | 10th Combined Counties Premier South

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

#TheKrooners

From the editor

I'd like to wish you all a warm welcome to Krooner park for today's match against Farnham Town, I'd especially like to welcome the players, management, committee and supporters visiting this afternoon.

We hit the second of 3 home games in 8 days today, so if you could all keep your fingers crossed for the weather cooperating.

We visited Jersey a couple of weekends back and come away with a well deserved point, there was little to choose between the two sides, and was a good indication of what this squad is able to do, and on Tuesday night we backed up that performance with a brilliant display against a good Redhill side.

We only have 2 away games left this season so hopefully we'll be seeing a lot of you over the coming weeks.

On that note I'd like to put out an appeal for volunteers, some matchdays we struggle to have enough people to do the things we would like to make the match better. We would love to hear from you if there is anything you think you could help with. Be it working on the turnstile, helping behind the bar, helping to look after our visiting committee, we can find a job for you. Even if you have skills we could call on would be good. There is near always something that needs fixing.

Hopefully you enjoy today's game against a Farnham side who we all know will be in a league higher, irrespective of the players they have recruited the run they are on is still impressive. That said we'll be doing what we can to throw a spanner in the works.

Today's Mascots

Windlesham has a thriving youth section with 29 active teams - 10 girls / 19 boys. We have a membership of around 125 girls and 300 boys. Today it is mainly the U11's boys section that are represented. We have 3 teams at this age group - Bears, Jaguars and Eagles and around 40 boys across the 3 teams. The Eagles and Jags are here today. The Eagles are coached by Chris Holley and Ryan Potter. The Jags are coached by Steve Kemble and Jason Bishop. They are a competitive age group but we are focused as a coaching group on fun and inclusivity. We looked forward to seeing some good local football and having a few hot dogs

Farnham Town

Formed : 1906

Home Ground : Memorial Ground

Last Season : 6th Combined Counties Premier South

Farnham Town was established in 1906 through the merger of Farnham Bungs (the Farnham Brewery) and Farnham Star.

It became a member of the Surrey Intermediate League and were champions in 1929-30 and 1930-1931.

In 1947, The Town joined the Surrey Senior League, left in 1962 but returned in 1963.

The club won three successive league titles in 1965-1966, 1966-1967 and 1967-1968 and were runners up in 1969-1970 and 1970-1971 before joining the Spartan League in 1971.

When that league merged with the Metropolitan London league to become the London Spartan League in 1975, the club were placed in Division 1, which became the Premier Division in 1977.

After finishing bottom of the London Spartan Premier Division in 1979-1980, Farnham transferred to the Combined Counties League and finished fourth in their first season.

The 1986-1987 season saw Farnham finish second to Ash United however, in 1990-1991, The Town would go one better by winning their first league title.

The following season the Town won a clean sweep of the major trophies by winning the Combined Counties Premier League, the Dan Air Elite Cup and the Dan Air Challenge Cup.

Having won the league, the club was accepted to the Diadora League (Division 3 of the Isthmian League). However, funds for the necessary ground improvements could not be generated and, since the club were unable to rejoin the Combined Counties League until the following season, it did not compete in the league during season 1992-93.

From 1995 to 1998 The Town would enjoy three consecutive top six finishes and, in 1995-96, won the Premier Challenge Cup for a second time.

Having finished bottom of the league in 2005-2006, the club was relegated to Division 1 and, although The Town won the Division 1 title the following season under the guidance of Barry Bridger, we were denied promotion due to ground grading issues.

In Paul Tanner's first season in charge, The Town finally gained promotion from the Combined Counties Division 1 in 2010-2011 having finished second behind Worcester Park and won the Combined Counties Fair Play Award having gone through the season without having a player sent off

In 2015-2016, the club not only won the Cherry Red Records Premier Challenge Cup but also reached the final of the Aldershot FA Senior Cup.

Relegated back to Division 1 in 2017-2018, The Town performed strongly in the two COVID interrupted seasons 2019-20 and 2020-21 and were rewarded with a move up to newly created Cherry Red Records Combined Counties Premier Division South in 2021 where they play today.

In 2021-22, The Town consolidated themselves in the Cherry Red Records Combined Counties Premier Division South and built on that in 2022-23 under the new management of Paul Johnson and assistant Jimmy Hibburt.

After taking the reins in November 2022, Johnson helped guide Farnham to a top six finish in the league but also brought silverware to the Club as they defeated Balham in the Southern Combination Cup in May 2023, defeating Balham in front of a home crowd of over 1,150 people.
