# Management Mutterings

Good evening everyone,

With just 4 more league games left to play, we sit relatively comfy in and around mid table. This season seems to have flown by but looking back it's been a bit of a strange one. Some really good results against sides at the top and then some really poor ones against teams that will ultimately finish below us. The challenge for next year is to start being more consistent and to make Krooner Park a bit of a fortress again.

Tonight we face another one of the promotions chasing outfits in AFC Croydon Athletic. They sit just outside the play off positions but do have plenty of games in hand on those above them so we're in for a tough game tonight. Their results do show some inconsistency but they do score plenty of goals so tonight should be entertaining. As for us, our last league game here was a couple of weeks ago against a play off chasing Tadley Calleva. After scoring inside the first minute we never really showed any sign of being able to go on and consolidate and let them back in on the half hour. There wasn't a great deal between the two sides and it was a defensive mistake that allowed them to take the lead with a free header inside the box. A really disappointing result as we pretty much matched them and probably should've come away with a point in what was an even contest.

Last week we faced Westfield in a southern combination cup game that was switched to KP at their request. There was a fair amount of step 4 experience in their side so to come away with a win and a clean sheet after Louis Lindsay's lateish goal was particularly pleasing. That puts us in to a home semi final against either Abbey Rangers or Reading City. We won't know our opposite until the end of the month once they've played their delayed quarter final. The last 2 results really do seem to sum up this season. We've had a relatively settled squad but just haven't been able to piece together a run of results to lift our position in the league. Discussions have already begun around player retention for next season so the last few games of this are a chance for everyone to stake a claim to be a part of it all again next year. A strong finish to this season will help support a good start to next and that begins tonight.

Enjoy the game.

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

## GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

## From the editor

I'd like to wish you all a warm welcome to Krooner park for tonights match against AFC Croydon. I'd especially like to welcome the players, management, committee and any supporters here tonight.

Just 4 league game including tonight left this season now and to me it has gone very quickly as it didn't seem that long ago we were playing preseason games and looking forward to the fixtures coming out ( least said about that the better ) I will say organising the fixtures is a thankless job but hopefully the league finds a way to help the process go a bit more smoothly in this digital age.

Anyone reading this tonight that isn't on X ( formally Twitter ) please follow us on there as that is the best please to get short notice information and keep up to date with anything going on at the club over the summer.

On the evening of Saturday the 13th April at 7pm we will be hosting a race night at the club, would be a great way to make a day of it, watch the game stay to watch the Grand National and then onto the race night.

Everyone is welcome. It would be great to see you and please bring anyone you can along with you. These night are a great way to get to the heart of the club and feel what a friendly place it is to be.

# AFC Croydon Athletic

Formed : 2012

Home Ground : Mayfield Stadium

Last Season : 15th Combined Counties Premier South

AFC Croydon Athletic was officially born on 6th February 2012 after a group of supporters gathered at Selhurst Evangelical Church in South Norwood to form a new club. The newly appointed committee had just 7 weeks to put everything in place to convince the Football Association and the League that they were worthy of a place at Step 6 in the pyramid. Despite the challenge, it was a successful journey. The need to form a new club had come about because of the demise of Croydon Athletic FC who had folded playing its last game in December 2011.

We completed our initial season in Division One of the Combined Counties League in a creditable 8th position. The club also won its first piece of silverware by winning the Lemon Recordings Division One cup by beating Staines Lammas 5-0 at Windsor. The Club returned to its Spiritual home of Mayfield Stadium on 15th November 2014 with a game against Banstead Athletic. The club maintained a promotion-chasing position all season and finally clinched 2nd place with a 3-0 victory over Cobham FC. The club also won its 2nd piece of silverware when winning the London Senior Trophy beating Interwood 4-3 after extra time.

With the FA Leagues Committee having placed the club in The Southern Counties East Football League (formally the Kent League) following promotion for the 2015/16 season the club then maintained their position in the league by finishing 11th. In the close season manager Antony Williams resigned as Manager and the club replaced him with Kevin Rayner. His first season saw a highest finish so far of 7th

A move back to the Combined Counties League followed the reorganisation by the FA and two interrupted seasons due to Covid. Rayner remained at the helm throughout but the results were more of a struggle as the team finished in the lower half of the division.

In May 2023 Rayner recruited Lee Roots as his new joint Manager for the forthcoming season. Then in June 2023 it was announced that the Club had agreed to change ownership with a consortium of Danny Young, Wilfried Zaha and Stormzy taking control. The FA and the League gave their consent to that transfer just before the start of this season.
