Guildford City v Camberley

27-9-25 Report by Freddie Snell

Mikey Milchev-Szczepaniak did well early on to fire a low effort at goal inside the area, Guildford's Marvin Wood got down well to parry the shot to safety. Wood was called into action again soon after, a deep corner from Adam Aziz was met well by the head of Jamie Hoppitt. Wood did well to knock the looping ball over the crossbar.

The Krooners got their reward for their dominant start in the 30th minute. Oscar Larrieu-Price laid the ball back to Idris Adebayo on the left hand side of the penalty area. He delivered an inch perfect side footed cross into the box. Milchev-Szczepaniak gambled well at the far post, nodding the cross down, into the left corner of the goal to give the Krooners the lead.

Shots from Aziz and Hoppitt were well blocked as the Krooners continued to apply more pressure to the Guildford defence.

This pressure paid off in the 37th minute. Sam Whitehead showed great tenacity to win the ball high in the Guildford half. Aziz picked the ball up and drove towards the touchline before delivering another perfect cross into the box. Once again, Milchev-Szczepaniak had gambled at the far post, and once again he did excellently to fire a powerful header past Wood to double his and Camberley's tally for the afternoon. The Krooners took a deserved lead into half time.

Guildford could have found themselves level early in the second half. Firstly, a ball into the box left an attacker with an open goal, but his effort was sent high over the crossbar. A few minutes later, a low ball across the box fell to Alex Stingelin. He shot low, Adebayo did brilliantly to throw his body in the way and block a certain goal.

Milchev-Szczepaniak broke free of the hosts' defence and seemed through on goal. Bryan Edwards came back to cover, but he only managed to take down the Krooners man and was lucky to only see yellow. Josh Ewing curled the resulting free kick on target, but was claimed easily by Wood.

Archie Mills attempted a speculative effort late on. The ball fell out the sky to him around 30 yards out. He hit it full on the volley and the shot looked very promising until it dropped into the goalkeepers arms.

That drew to the end an entertaining afternoon in Guildford, with Camberley taking home all threes points. This completed an unbeaten week for the Krooners.

Guildford City v Camberley

Redevelopment

For those of you who may not have heard we have finally got the approval for the development of the ground.

We would like to thank the councillors who unanimously voted it through at the planning meeting on the 22st August.

Now the fun and games start. We'll try to keep you as updated as possible in here and on social media.

Cladding Color Materials:
1. Concrete - polished metal (steel - dark grey)
2. Vertical timber cladding - dark brown (oak)
3. Horizontal timber cladding - dark brown (oak)
4. Redwood (oak) - dark brown (oak)

2024 - 2025 | 16th Combined Counties Premier South

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign. 2023-24 & 2024-25 were disappointing seasons which were entered into with the hope to push on from the prior years and maybe see if we could get in the top 5 for the playoffs. 2025-26 We go again.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required. Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

Last updated: Tuesday 28th October 2025 at 22:25:06

Epsom & Ewell

Formed : 1918

Home Ground : King Georges Fields

Last Season : 16th Combined Counties Premier South

We were founded in March 1918 as Epsom Juniors Cricket Club and played throughout the summer. In the autumn, Epsom Juniors F.C. came into being and played a handful of games from what is now known as Alexandra Recreation Ground. Competitive football followed as we entered the Surrey Junior League in 1919, and became founder members of the Sutton & District League in 1920.

A change of name in July 1922 to Epsom Town F.C. heralded the start of a very successful era. By now resident at the Horton Hospital Sports Ground, we were unfortunate to lose 2-1 after extra time at Dorking F.C.'s Pixham Lane ground to Caterham Mental Hospital in a replay of the Surrey Junior Cup Final. However, we won three other trophies that season, the Leatherhead Hospital Shield, the Sutton Hospital Cup, and the Epsom Hospital Cup. In addition, we also won the Sutton & District League, and under the forward-thinking of their visionary Chairman Hugh Bradley, took the step into Intermediate Football, where we won the Southern Suburban League without losing a match. Senior football was granted as we were unanimously accepted into the Surrey Senior League for 1924/25, where we finished third.

In September 1925, the club relocated to the old Ewell F.C. ground at West Street, which was purchased through the generosity of our future President Robert Bradshaw. In 1925/26 the Championship of the Surrey Senior League was attained, and the following season, we defeated Egham 1-0 at Egham in the League Charity Cup to complete a League and Cup "double". Election to the London League followed, and the title was claimed in the first attempt in 1927/28. Unfortunately, we were unable to repeat this, instead of finishing runners-up in 1931/32, 1932/33, 1934/35, 1936/37 and 1937/38. Cup Honours were limited, although in 1929 Redhill defeated us 3-2 in front of 4,600 at Guildford in our first Surrey Senior Cup Final, having seen off Wimbledon 4-1 in the semi-final!

The thirties were a very successful era, and we won the Surrey Charity (Senior) Shield in 1933 with an impressive 5-0 win over Woking at Kingfield. However, the proudest moment of our pre-war history was an appearance in the First Round Proper of the F.A.Cup in 1933/34. Woking (after a replay),

Nunhead, Tooting & Mitcham, Beddington Corner, and Leytonstone were defeated, and a crowd of 9,485 at the Lea Bridge Speedway Stadium witnessed a 4-2 loss against the hosts Clapton Orient. At the end of that

season, we changed our name to Epsom F.C. In 1939 a newly formed team, Epsom Town (no connection to the earlier name) shared the ground with Epsom F.C. However, this arrangement was suspended when war was declared, and we folded for the duration. In the meantime, Club Chairman Charles Pettett threw in his lot with Epsom Town in an attempt to boost morale by keeping the football flag flying. It was successful, as that club competed continuously throughout the war years, winning the Surrey Combination in 1939/40, and reaching the Surrey Senior Cup Final in 1944, losing 3-1 to Tooting & Mitcham, at Sandy Lane. After the war, Epsom F.C. restarted, continuing in the London League and reclaimed West Street. Temporary homes were found for Epsom Town while they competed for a season in the newly created Corinthian League, but disbanded in 1946.

In 1949 we entered the Corinthian League ourselves, wherein in 1952 we reached the League Memorial Shield Final 1952, going down 2-1 to Champions Hounslow at Eastbourne after leading at half-time. Things improved further with the signing of the former English Amateur International Pat Lynch from Hendon, finishing third in 1952/53, while in 1954 we reached the Surrey Senior Cup Final for the second time in our history, losing unluckily 2-0 to Corinthian-Casuals in front of 6,159 at Selhurst Park. In 1955 we won the Surrey Senior Shield with a 1-0 win over Carshalton Athletic at West Street.

We appointed our first ever Manager, Kingstonian legend Doug Whitehead in 1955 and the Corinthian League double was almost achieved in 1956/57, but two losses in the final week, along with a 2-0 defeat in the Cup Final to Maidenhead United at Dorking ensured that we ended with neither, finishing fourth. However, in 1960, we finally raised the Shield with a 2-0 revenge win over Maidenhead at Vale Farm, home of Wembley F.C. In 1960 we changed our name once again to Epsom & Ewell F.C. This was not because of any merger with Ewell & Stoneleigh as is often quoted, but was an attempt to increase support across the whole of the Borough. In 1963 the Corinthian League merged with the Athenian and Delphian Leagues, and we were placed in Division One of the new structure, but the sixties were full of poor results and we were relegated in 1965.

Despite a string of managers, most notably ex-Leyton Orient winger Jimmy Smith, and Tony Williams, now famous for his creation of the F.A. Yearbooks, our fortunes did not improve significantly and further relegations were avoided in the early seventies by the benefit of re-election. However in 1973, despite “improving” to finish second from bottom, the Athenian League ran out of patience and cut us loose. This was unfortunate timing as we had just cleared all of our debts, and in addition to a virtually new Committee, former Fulham

player Pat O’Connell had taken over as Manager. The Surrey Senior League took us in at the last minute, and the new squad, including young striker Tommy Tuite, won the League Cup, and the following season, 1974/75 achieved a second Surrey Senior League “double”. However, the season would always be remembered for reaching the Final of the inaugural F.A. Vase, where 9,500 saw the Blues edged out 2-1 by Hoddesdon Town at

Wembley Stadium. The Athenian League welcomed us back, and promotion was achieved in that first season. In 1976/77 we reached the Athenian League Cup Final, losing 1-0 at Chalfont St Peter.

By then, we knew that we had been invited to join the expanding Isthmian League for 1977/78, and were placed in the new Division Two. Our first match under floodlights took place against Met Police in August 1977, and the title was clinched the following April, securing a move to Division One. In 1979/80 we won the Southern Combination Cup 7-2 over Hampton on their pitch, where the opposition was blitzed by five goals from Tuite. The following season a new clubhouse opened at West Street, and we finally won the Surrey Senior Cup in 1981, defeating Woking 2-1 at Tooting & Mitcham, although we just missed out on promotion. O’Connell resigned in 1982, being replaced by Adrian Hill and in 1983/84 we clinched a spot in the Premier Division as runners-up, although this time we missed out in the Surrey Senior Cup, defeated 4-0 by Sutton United in the Final at Imber Court.

We survived comfortably in our first season at the Isthmian Premier, but Hill's departure to Croydon in 1985 started a decline. Much of the squad left with Hill, and new Manager Alan Webb had too much to do. We were relegated in 1986, and also in 1987, by now under the Management of Ricky Kidd. Adrian Hill replaced Kidd for a second spell at the helm in 1990, but we were placed in the new Division Three in 1991 in league reorganisation following a finish one position below the required halfway mark.

In 1993 a large chapter in our history ended as we left West Street and moved in as tenants of Banstead Athletic. The decade was largely one of frustration, although we did reach the Final of the Associate Members Trophy in 1998, losing 2-0 to Bedford Town at Hendon's old Claremont Road ground.

In 2002 Adrian Hill took us back up to the newly created Division 1 South, where we topped the table for a month, eventually finishing 9th, but Hill's retirement at the end of the season led to relegation a year later and then in 2006 we were transferred into the Combined Counties League Premier Division. In October 2006 Lyndon Buckwell, a former player became our new Manager, and in his first full season (2007/08) we were back in the top ten. In 2008/09 we exceeded this achievement and finished in fourth place after heading the table for a few months. In 2009/10 the club recovered from a slow start to finish fifth and also reached the last 32 of the F.A.Vase for the first time in 21 years, bowing out 3-2 in Northamptonshire to Long Buckby. In April of 2010, we terminated our seventeen-year ground-sharing agreement with Banstead Athletic and spent two unspectacular seasons at Merstham F.C. before relocating to High Road, home of Chipstead F.C. for the 2012/13 season, where we would spend eight seasons. The season brought significant playing success as a slow start was followed by a spectacular run of form, including a club record of 12 straight league wins, which put us at the top of the table for over a month, before a tricky run-in resulted in a final position of fifth. However, any disappointment there was tempered by the club's first silverware since 1981 when we defeated South Park 3-0 at Farnborough to win the Combined Counties League Cup. On a sadder note, 2012/13 also marked one thousand games since we left West Street.

We carried our form into 2013/14 and led the league with eight straight wins, but couldn't hold on and had to settle for third place, our highest league finish since 1984, but the following September Lyndon Buckwell departed and Glyn Mandeville and new Assistant Matt Smith steered the club to seventh place and improved this to fourth in 2015/16.

In the summer of 2016, our club visited France and played a friendly against our twin town Chantilly, which was where the England team had been based before their Euro 2016 campaign. The players were able to meet Roy Hodgson and Gary Neville and performed admirably as ambassadors for our town.

In 2016/17 we started the season with an incredible 9-2 win at newly-promoted Bedfont & despite trailing 2-0 at halftime and went on to repeat our fourthplace finish in the League. In addition, we reached the League Cup Final but were defeated 4-1 by Westfield at Windsor FC.

However, in the summer of 2017, we suffered a large player exodus with a substantial number joining local rivals Sutton Common Rovers. Glyn was unable to replace them with enough players of real quality and three-quarters of the season were spent at the foot of the table. His resignation in January 2018 led to the club promoting our Coach Neil Grant into the Manager's role and although he managed to get us off the foot of the table, relegation was always likely and was confirmed in mid-April; not a great way to celebrate our

Centenary! The attempts at bouncing straight back did not start particularly well and Grant departed in October. He was replaced by Simon Funnell, who stepped up from his Assistant role and took us to the Division One League Cup Final at Meadowbank. Unfortunately, the new season of 2019/20 started poorly and Funnell resigned at Christmas. His Assistant Sam Morgan was appointed to the role and with his new Assistant Tim Moffatt, they oversaw an undefeated league run that took us up to the abandonment of the season.

The 2020/21 season commenced with another ground move, this time to Leatherhead's Fetcham Grove ground, although another seasonal curtailment left us in seventh place and we remained at Step Six, being transferred to the Southern Combination for the new season.

In August 2021, Sam Morgan was relieved of his duties after a slow start to the season. Barry Gartell was placed in interim charge while the club searched for a new manager. Barry and his brother Clive managed to get a good run of form under their belts. Winning 4 and drawing 1. Darren Anslow was appointed as our new manager in September 2021 and was immediately impressed with a comfortable 4-0 win against Mile Oak in the FA Vase 2nd Round Qualifying.

2022/23 season saw a complete change at the top with Ex Horley Town manager Anthony Jupp coming in as joint manager alongside Ex Croydon manager Liam Giles along with Ex Horley Town Manager and coach Matt Chapman as coach. Giles left before Christmas and Jupp stepped down before the end of the season.

Coach Matt Chapman took over and lead the Club to the Runners up spot. In the play off semi final we drew one one with Selsey before going through in a nail biting penalty shoot out. In the final in front of almost 400 fans in our last game at Leatherhead F.C. We won two one against Wick. We were promoted back to step five. We were also moved across the Non league Pyramid back into the Combined Counties League Premier South.

2023/24 Season The Club also started a new ground share agreement with Cobham F.C. on their brand new 3G pitch.

2024/25 season saw the Club move again this time to King Georges Fields the home of Corinthian Casuals F.C. Warren Burton continued as manager along side coach Glynn Berry. Warren left the Club after a terrible run of defeats towards the end of the season and Max Johnson and Criag Dundas took over as temporary joint manages. They went on a great run lifting us out of relegation and winning a cup when we defeated Abbey Rangers one nil in the final of The SouthernCombination Challenge Cup.

25/26 Season saw the Club move back to Cobham FC and the joint managers were appointed full time. In October 2025 the Club moved again to Chessington & Hook

United much near to Epsom and hopefully we can build more support at this ground.
