# Management Mutterings

Good afternoon everyone,

With just 3 more league games left to play, we sit relatively comfy in and around mid table. This season seems to have flown by but looking back it's been a bit of a strange one. Some really good results against sides at the top and then some really poor ones against teams that will ultimately finish below us. The challenge for next year is to start being more consistent and to make Krooner Park a bit of a fortress again.

Today we face another one of the promotions chasing outfits in Abbey Rangers. They sit just outside the play off positions but but definitely not out of it so we're in for a tough game today. As for us, our last league game here is probably best left in the past.

Couple of weeks back we faced Westfield in a southern combination cup game that was switched to KP at their request. There was a fair amount of step 4 experience in their side so to come away with a win and a clean sheet after Louis Lindsay's lateish goal was particularly pleasing. That puts us in to a home semi final against either today's opponents Abbey Rangers or Reading City. We won't know our opposite until the end of the month once they've played their delayed quarter final. The last 3 results really do seem to sum up this season. We've had a relatively settled squad but just haven't been able to piece together a run of results to lift our position in the league. Discussions have already begun around player retention for next season so the last few games of this are a chance for everyone to stake a claim to be a part of it all again next year. A strong finish to this season will help support a good start to next and that begins tonight.

Enjoy the game.

**Away Colours | Blue & White**

**Ground | Krooner Park**

**Capacity | 1,976**

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

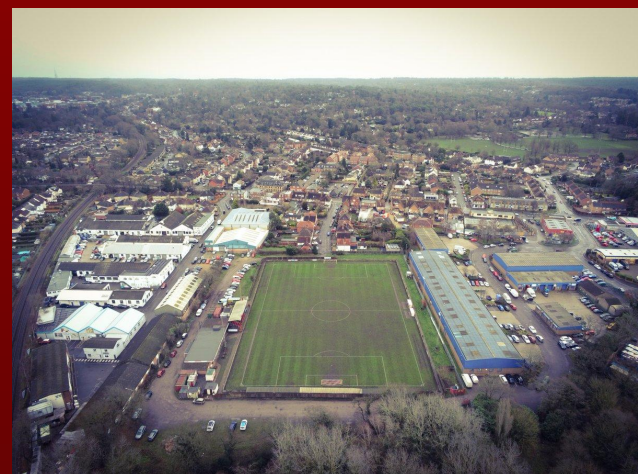

## GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

## From the editor

I'd like to wish you all a warm welcome to Krooner park for this afternoons match against Alton. I'd especially like to welcome the players, management, committee and their supporters here today.

Just 3 league games including today left this season now and to me it has gone very quickly and I'm starting to worry what I'll be doing on the weekends. We are still in the Southern Combination Cup and we will have a home Semi-Final in that when we eventually know our opponents.

Anyone reading this today that isn't on X ( formally Twitter ) please follow us on there as that is the best please to get short notice information and keep up to date with anything going on at the club over the summer.

This evening ( 13th April ) at 7pm we will be hosting a race night at the club. Everyone is welcome. It would be great to see you and please bring anyone you can along with you. These night are a great way to get to the heart of the club and feel what a friendly place it is to be.

# Abbey Rangers

Formed : 1976

Home Ground : Addlestone Moor

Last Season : 4th Combined Counties Premier South

Abbey Rangers were established in 1976, initially as a youth club for boys aged 7–16, and taking its name from the historic Chertsey Abbey.

The initial years the club had a rather nomadic existence having to use various home grounds within Chertsey and Addlestone but, as the club grew in size, it became clear that the club needed to plant its roots and were able to do so when we established a home on the old Meads school playing fields now known as Addlestone Moor. That ground now accommodates all formats of football from 5 v 5 up to adults..

After years of effort, the club opened up its new clubhouse in 2008, a superb and very welcoming facility partly funded by the Football Foundation. The facility was officially opened by Sir Trevor Brooking on 3rd June 2008.

The club has attained the FA Charter Community Status, and now have a healthy and growing girls and ladies section. The club also prides itself on being one of the leading lights in Surrey at providing disability football.

The club became members of the Surrey & Hants Border League under the management of Les Chatfield and Bob Thorpe. winning Division One in 2004–05. After winning the league , League Cup and County Cup in 2007-08 the decision was taken to move to Saturdays and entered the Guildford and Woking Alliance League winning Division 2 in the 1st season. The following season saw the club pick up another treble including another County Cup The following season (2010-11) we joined the Surrey County Intermediate League (Western) and finished runners up in Division One. That meant promotion to the Premier Division and finished runners up which meant promotion to the Surrey Elite Intermediate League. We were also County Cup runners up.

We remained in the league until 2014–15 winning the Intermediate League cup in 2014 and another County Cup final appearance in 2015 losing out to Horsley. In 2015 the club invested in the ground with a view to entering the Combined Counties League and, after finishing 4th in the Surrey Elite League we were accepted for the 2015-16 season which also allowed us to enter the FA Vase. Our 1st season in the Vase saw us clock some miles up but we reached the 2nd round proper before losing to Newport (IOW) in extra time. After a slow start to the league programme we finished the season on an unbeaten 18 game run that saw us grab 3rd place and with it, promotion to the Premier Division at the 1st attempt.

In 2016-17 there were new faces at the helm as Les Chatfield & Bob Thorpes impressive reign came to an end and they handed the stewardship over to Mike Woolgar & Paul Johnson. This season saw the clubs 1st Foray in the FA Cup but lost out to a good Thame United side. Another run in the FA Vase saw us go a round further than the previous season losing out to Eastbourne Town. The final league table saw us achieve a top 10 finish although, but for a stuttering end of season, we could easily have finished higher.

The following season was a much tougher season which saw us looking over our shoulders at the relegation places but we managed to amass enough points to keep our place in the Premier Division.

Season 2018-19 saw the club reach new levels by reaching the last 16 in the FA Vase before losing out to Cray Valley (PM) as well as the Semi finals of the CCL Premier Cup and the quarter finals of Southern Combination Challenge cup both 1sts for the club. We also achieved our highest league position finishing in 3rd place.

2019-20 season saw us embark on an FA Cup run that saw us reach the 3rd Qualifying round defeating 2 step 4 clubs on the way in East Grinstead and Whitehawk before bowing out to Whyteleafe in the 3rd qualifying round. That season was curtailed due to covid with us challenging the promotion spots in the CCL.

2021-22 also saw us challenging for the promotions spots again before eventually missing out to Southall.

2022-23 also saw us challenging again spending a considerable time on top of the league but eventually finished 4th

Off the field the club continues to progress and in the summer of 2018 we were proud to

open our 3G facility which can only help the club to grow and help to develop players through our youth sections in both boys and girls football.
