Knaphill V Krooners

9-9-25 Report by Freddie Snell

The Krooners travelled to Knaphill on the back of two defeats, hoping to get back to winning ways.

Just over 10 minutes in, Camberley came agonisingly close to taking the lead. A deep corner from Adam Aziz caused chaos in the Knaphill area. Jamie Hoppitt had his shot charged down, followed by Mikey Milchev-Szczepaniak's effort being blocked by a knee on the line.

Hoppitt would be involved again 2 minutes later, a deflected shot fell onto his head, however, he couldn't keep the ball below the crossbar.

In the 15th minute, Knaphill took the lead. A powerful strike at goal forced Dom West into a smart save, unfortunately the rebound fell to Sid Cannon who made no mistake from 6-yards to put the hosts into the lead.

Once again, Jamie Hoppitt created problems for the Knappers defence. A looping cross from Aziz was tipped away awkwardly by Harvey Keogh. Once again, the ball landed on Hoppitt's head. Once again, his effort was denied on the line superbly by Tom Wensley.

The hosts doubled their lead on the half hour mark. A miskewed clearance by Jacob Wheeler in the area landed at the feet of Bradley Sweeney who finished into the bottom left corner. The hosts seemed to be in control of the game.

A superb team move brought the Krooners back into the game in the 37th minute. West claimed a corner well, bowling the ball to Aziz. His switch found Hoppitt in acres of space, allowing him to deliver a smart cross into the box. Knaphill appeared to have dealt with the danger, but Aziz won the ball back well, exchanging passes with Archie Mills before gliding past his man and curling the ball into the top right hand corner to half the deficit.

The Krooners regained parity just before the break. Hayden Stedman floated a lovely ball into the box, Stan Pickup flicked the ball well to Mack Clayton. The captain made no mistake to smash home a deserved equaliser.

Knaphill V Krooners

Continued

There was still time for West to pull off an outstanding save to keep the scores level. Thomas Harland-Goddard turned well on the edge of the box, and his curling effort looked destined for the top corner. West miraculously got both hands to the ball, pushing it over the crossbar and to safety. The game was level at 2-2 going into half time.

A thunderous effort from Stedman almost gave the Krooners the lead minutes into the second half, however, the ball kissed the top of the crossbar and flew to safety for the Knappers.

Knaphill retook the lead with 15 minutes remaining. A long ball was not dealt with, allowing Maurice Black a chance in the area. He took the chance well, finishing well to West's right.

The scoring was not done yet. In the 88th minute, Luke Rippon's long throw was flicked on by Hoppitt, with the ball being flicked again by Josh Hooks. This set Milchev-Szczepaniak charging down on goal. He held his man off well and fired excellently low to Keogh's right to bring the game level again.

Entering the dying embers of added time, the points seemed to be destined to be shared. That was before Luke Ifil picked up the ball and delivered an inch perfect ball onto the head of Hoppit again. His header crashed off the post, much to the despair of the travelling contingency. Thankfully, Milchev-Szczepaniak hadn't stopped his run into the area. He beat his defender to the ball as it was rolling excruciatingly along the goalline and tapped home, sending all those of a Camberley persuasion delirious.

The full time whistle blew shortly after, sealing the full three points for the Krooners. A crazy game, with an even better ending brought to an end Camberley's losing run.

Redevelopment

For those of you who may not have heard we have finally got the approval for the development of the ground.

We would like to thank the councillors who unanimously voted it through at the planning meeting on the 22st August.

Now the fun and games start. We'll try to keep you as updated as possible in here and on social media.

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign. 2023-24 & 2024-25 were disappointing seasons which were entered into with the hope to push on from the prior years and maybe see if we could get in the top 5 for the playoffs. 2025-26 We go again.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required. Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

Tadley Calleva

Formed : 1989
Home Ground : Barlows Park

Tadley has had a football team since the early 1900's. In the modern era the team was re-formed in 1989 and played in the Basingstoke and North Hants Leagues before winning promotion to the Hampshire League. The club was formed as Tadley F.C. in 1989. They joined the Hampshire League Division Three in 1994, finishing runners-up in 1995–96, gaining promotion to Division Two. The club changed its name to Tadley Town F.C. in 1999 and joined Division One upon re-organisation. In 2004, they changed their name to their present name and entered the Wessex Football League Division Three.

Division Three was re-named Division Two in 2006, and the club finished runners-up in 2007. In the 2007–08 season, they won the Wessex League Division One title but were denied promotion as their ground did not meet the requirements for the Premier Division.

The Reserve side was also highly successful in the same season by taking the Wessex Combination League title.

Since then the team has remained in Division One and has steadily been making progress on and off the field year on year. They narrowly missed out on promotion in 2014-15 and 2015-16 respectively by finishing in 3rd position in both seasons. In the 2010–11 campaign they reached the final of the Basingstoke Senior Cup losing to Thatcham Town 4–1. The club then went on to win the same cup in 2013-14 beating local rivals AFC Aldermaston 3-2 (aet) in the final. In September 2014, the club recorded probably the best result of its modern history, defeating Conference South Basingstoke Town on penalties in the Hampshire FA Senior Cup at The Camrose after a 2-2 draw in 90 minutes.

The club had its best run in the FA Vase in season 2015-16 reaching the 3rd round proper before eventually being knocked out 4-2 after a replay and extra-time against Newport (IoW) from the Wessex Premier Division.

They have also reached the final of the North Hants Senior Cup in the last two seasons;

losing out 3-1 to local rivals Whitchurch United in 2016-17, again at The Camrose, and then 5-4 on penalties to Andover New Street in 2017-18 at Longmeadow after a 3-3 draw in normal time.

Tadley Calleva

The club achieved its ambition of gaining promotion to the Wessex League Premier Division in 2018-19 season - the highest level (Step 5) that the club has competed at. The goal is to consolidate its position on the field and to make significant progress with the infrastructure off the field. Tadley finished 8th in their first season.

Tadley were lying 13th after 28 games in season in 2019-20. The season finished in March due to Coronavirus.

In 2020-21 Tadley had a change in Secretary, after many years Dean Newton step down. The club would like to place on record are thanks for the work and time put in by Dean. Wayne Chivers stepped as temporary secretary. After no one come forward, Wayne Chivers took it up on a full time basis.

In 2020/21 Tadley had their best run in the FA cup in the club's history, team manager Adam Clarke saw the club reach the First qualifying round.

In 2021/22 Tadley Calleva has seen a change in league and management, the club has joined the Combined Counties League. This was due to the FA restructuring at Steps 4-6. Adam Clarke had to step down due to work commitments, we wished Adam the best of luck. Joe Lawler & Ben Dillon was named as joint first team managers 2021/22 season. We have enjoyed a good run under the joint managers for the past 2 and half seasons. In 2023 Joe took full control of all team matters.
