Management Mutterings

Hello everyone.

Having secured last month another season at Combined Counties, and knowing you have a Quarter Final to be played for our only chance of silverware, it's unsurprising that recent results in the league have been disappointing.

Throughout the season it's been the most challenging with the players we have. They know they have the ability to be a great team. But mindset has put us in the position we see ourselves come the end of this season. In this league you cannot just think that playing well last week automatically gives you the right not perform the next, it doesn't work like that. You must perform every week and not think that because you done well last game it's going to be easier the next game. That's been so disappointing. But the team has enough there to beat anyone on their day, when they want to.

Just like in our Quarter Final match against Westfield who are a league above and find themselves in the mix to be in the playoffs in their respective league. We threw all our eggs into that basket and got a well hard earned 1-0 win to see us either play Abbey Rangers or Reading City in the Semi Final. It's a home tie, so the club would love the support to see us hopefully reach a Cup Final once the fixture has been announced.

And on that note, the team and I would like to thank everyone for their support this season. And hope to see you come back for more next season.

2022 - 2023 | 10th Combined Counties Premier South

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

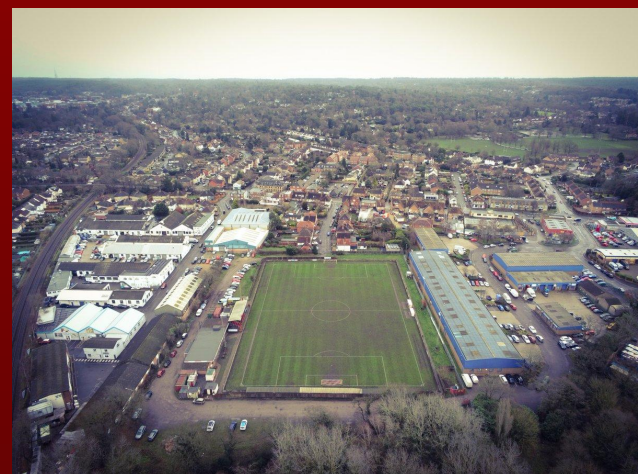

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

#TheKrooners

From the editor

I'd like to wish you all a warm welcome to Krooner park for this afternoons match against Balham. I'd especially like to welcome the players, management, committee and their supporters here today.

Today we have are final league game of what, I think we will all agree has been a disappointing season. We started back in August full of hope that we could carry on where we left off last season. We travelled down to Lydd in the FA Cup and on a very wet & windy day, where the conditions and decisions went against us we fell to a 1-0 defeat which was pretty much all our own doing, a trend that seemed to continue for most of the season. There were high points, Epsom & Ewell, & Jersey Away, Redhill & Sandhurst at Home, but there were not as many highlights as we would have wanted. So although the league is nearly finished we have a cup Semi-final to come, It would be great if we could win the Southern Combination Cup to end the season on a positive.

As usual Grass roots football would not exist without the support of so many people going above and beyond to keep the club ticking over. So in no particular order (and in addition to the youth & 1st team management teams who do more that stand in the dugout on a match day), Paula, Steve, Gateman Steve, Dave, Hussain, Amie, Tony, Ruby, Leanne, Guy, Paul and anyone I've forgotten who has played their part in this season. Many Thanks. Same again next Year???

Just to point out for anyone that isn't on X (formally Twitter) please follow us on there as that is the best please to get short notice information and keep up to date with anything going on at the club over the summer.

If we don't meet again in a few weeks I'll see you again in July or August. Have a great summer.

Abbey Rangers

Formed : 2011

Home Ground : Mayfield Stadium

Last Season : 9th Combined Counties Premier South

Balham Football Club was formed in 2011 in order to provide player progression into open age football for the hugely talented, high achieving age group teams of Balham Blazers FC, which was founded by Greg Cruttwell in 2001.

Having won back-to-back promotions in 2011/12 and 2012/13 Balham did the league and cup double in the Surrey South Eastern Combination in 2013/14.

In 2014/15 Balham finished in a promotion position again, in the Surrey Elite Intermediate Football League, however promotion was denied due to Combined Counties League facility requirements not being met.

Having moved to ground share with Cobham FC, in order to meet the facility requirements, Balham finished as runners up in the SEIFL in 2015/16 and as a result were promoted to Division One of the Combined Counties League for the 2016/17 season.

The club had an exceptional first league campaign at Step 6, finishing in a promotion position for the sixth consecutive season and winning the London Senior Trophy.

In 2017/18 the club had an equally exceptional season, finishing 5th at Step 5 in the Premier Division of the CCL and winning the London Senior Cup.

2021/22 will be the club's fifth season at this level after flirting with relegation in 2018/19 and then having null and void seasons in 2019/20 and 2020/21 due to COVID-19.

Having begun on Wimbledon Extension, before moving to Cobham and then to the Wibbandune Stadium, where the club ground shared with Colliers Wood Utd, Balham were on the move again in 2020, this time to the Mayfield Stadium, where the club has embarked on a two-year ground share agreement with AFC Croydon Athletic.

Moving location meant having to move sideways in the Football League Pyramid, from the Premier Division of the CCL into the Premier Division of the SCEFL (South East Counties Football League) After one single season in the SCEFL however, which was curtailed due to COVID-19, the FA have brought Balham back to the Combined Counties League for the 2021/22 season, at the same level, in a newly formed Premier League South.

The 21/22 season we were back in the Combined Counties League Premier South – and great to play against some of the teams we have faced many times before as well as some new ones. Despite it being our second highest finish in the division, we couldn't find consistency, there was a notable effort in the Surrey FA Senior Cup where we reached the semi-final but lost to National League side Dorking Wanderers.

Since returning the club has finished 8th in the league in 2021/22 and 9th in 2022/23, a season in which The Blazers (Balham's club nickname) were also Southern Combination Cup Runners Up.
