# Management Mutterings

Good afternoon and welcome to Krooner Park, the home of Camberley Town F.C. for today's Combined Counties Premier Division South fixture. In particular of course to the Committee, Players, Management and supporters of our visitors Guildford City. We hope you enjoy your short stay with us this afternoon.

Last week we knew it was going to be a tough match at Tadley, but I thought we held our own in the first half. They were very slick with there passing in the final third which means we had to concentrate on not conceding and tracking runners off the ball, which we done well, and to go a goal up was pleasing. To concede shortly after though wasted the work we done to go ahead.

Second half we let them take the lead which was disappointing. Simple instructions were not being done so inevitably they went 3-1 up when we had a golden chance to level the match. We kept pushing for an equaliser, but it was game over when they got the 4th.

When repeating instructions and the players are still not taking the instructions on, has to result in change.

Tuesday at Westfield in the cup we did just that. We had an opportunity to try some things out and get players valuable minutes in the legs. But at the end of the day, a league above team got a league above result. 3-0, no complaints but some positive things for us did happen in the game despite the result, and we hope to bring them forward into todays match.

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

## GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 26 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

# Guildford City History

Formed : 1921 & 1996 as AFC Guildford

Home Ground : Spectrum Leisure Centre

Last Season : 20th Combined Counties Premier South

## 1921 - 1974

In May 1921 Guildford were accepted into the Southern League, the equivalent of today's National League. 1927 saw Guildford become a Diocese and coupled with the planned cathedral the club was renamed Guildford City. In 1928-29 City were drawn at home to Queen's Park Rangers in the FA Cup First Round proper and won 4-2 in front of almost 8,000 spectators. The immediate pre-war years saw another famous FA Cup victory, this time over Reading, whilst 1937/38 saw Guildford City lift the Southern League Championship trophy for the first time. The following year a record crowd of 9,932 spectators crammed into Joseph's Road to watch an epic FA Cup First Round replay versus local rivals Aldershot. In 1951, City sold future England cap Jimmy Langley to Leeds. Another League Championship was achieved in 1955-56, and then in 1967-68 Guildford embarked upon a memorable FA Cup run. Leading 2-1 at Brentford in the First Round proper, the match was abandoned due to snow. A 2-2 draw in the rearranged fixture saw 7,289 fans cram into Joseph's Road to roar City on to a famous 2-1 victory in the replay. A further 8,774 saw City fall narrowly to Newport County in the Second Round, but the heroes of that era, players like Tony Burge and long-serving Darby Watts, will long be remembered. In 1974 on-going financial problems came to a head and it was announced that the Club was to merge with Dorking. Subsequently the final game at Joseph's Road was played on 12 February 1974, when City beat Folkestone 2-0 in front of 625 fans. The club limped on for a further two seasons playing as Guildford & Dorking before finally succumbing on 9 December 1976.

## 1996 – Present

After years of discussions, the club re-emerged as AFC Guildford in 1996 when the then Mayor of Guildford John Woodhatch persuaded Burpham FC to change its name and move to the Spectrum Leisure Centre. After a brief spell in the Surrey Premier League, Guildford joined the newly formed Combined Counties League, winning Division One in 2003-04. After 12 months as Guildford United, the club was re-named the historically significant 'Guildford City' after an absence of thirty years. 2007-2008 saw City claim a runner up finish in the Combined Counties Premier League, Under the management of Scott Steele and Lloyd Wye. Then saw a period of struggle which was halted by the inspirational appointment of Kevin Rayner who took charge in spring 2009. Rayner's second season saw a good run in the FA Vase, an incredible FA Cup victory at Isthmian Premier Tonbridge Angels, but also the CCL Premier Division Championship. A second CCL Championship was gained in 2012, resulting in an emotional return to the Southern League after a gap of 38 years. That first Step 4 season saw a creditable ninth place finish in the Central division. At the conclusion of 2012-13 Rayner departed for a new chapter in his career. In November 2013 Rayner returned to lead an ultimately unsuccessful battle against relegation.

# Guildford City History

After a poor start to the 2014-15 CCL season, Kevin Rayner departed in November to be replaced by local coach Donovan Chislett who ultimately saved the club from relegation in an exciting climax to the season. Chislett himself departed in September 2015 to be replaced by former Godalming & Farncombe manager Dean Thomas. After exactly 12 months Dean departed to be replaced by his assistant Steve Dormer. Dormer in turn saw the 2016-17 season out before departing to be replaced by his assistant Chris Balchin.

The season's highlight had been a Surrey Cup semi-final appearance against Woking in front of a record Spectrum crowd. After four seasons Balchin departed in December 2020 to be replaced as part of a major club restructure by ex-Staines Town manager Paul Barnes whose tenure proved to be short lived. Pete Ruggles took the reigns for one year before the popular Tristan Rees, a former assistant under Chris Balchin, took charge in May 2023.

## MANAGEMENT TEAM :

Tristan Rees (Manager):

Tristan originally gained managerial experience at Merrow in step 7, before joining Guildford City where over several years he held coaching, assistant manager and caretaker manager roles at the club. After holding coaching roles at Farnham Town and Westfield, Tristan re-joined City in May 2023 as first team manager.

Chris Adams (Coach):

A former City U18 coach who also acted as first team goalkeeper coach during the 2021-22 season. Subsequently Chris has been part of the coaching team at Farnham Town and Sheerwater where he kept his hand in by making three appearances between the sticks.

Dan Goodall (Coach):

A well-regarded coach who was U18 head coach at Farnham Town in their 2020-21 championship winning season. In April 2022 Dan was appointed Farnham's interim first team manager. Last season Dan moved on to Fleet Spurs where he was head coach.

Muhammed Sher (Coach):

He joined Pete Ruggles's management team at City in December 2022 and is staying in post for the 2023-24 season. Prior to joining Guildford City Mo was on the coaching staff at Godalming Town. Mo has been coaching football since 2009 when he arrived at Loughborough University.

## From the Editor

Welcome to Krooner Park everyone, Hope the weather is kind to us today.

Couple of away games since we hosted Tooting and Mitcham here, and our form continues to frustrate. We are all wondering what is happening, but we can be sure that Luke and the management team are doing all they can to turn these results around.

For me, I think we are just missing that bit of confidence. If we can get the first result under the belts and take some positives from it. The old cliché of taking one game at a time really does hold true in cases like ours. Right now there is no point looking at where we might be at the end of the season. The next game is the one to focus on.

Away from the pitch our next home game ( against Horley on the 18th ) sees a celebration of the first time Camberley ever reached the 1st Round of the FA Cup. We played Brentford that day and hopefully there will be some guests of that day with us.

Also in the evening there will be a “ Night at the Dogs” in the clubhouse which should be a laugh, The first team players should be there and previous race nights have been great fun.

As ever, we thank you for your support and it is even more important you continue to support the lads when the results are not going our way.

Enjoy today's game and get behind the Krooners.

*Andy*
