Management Mutterings

Good evening everyone,

It's my first programme notes in a while so would like to wish all our fans a happy new year, and on behalf of the club would like to extend a warm welcome to players, officials and fans of Sheerwater.

Consistency has been the buzzword of our season so far, or should I say lack of. Even in the 2 weeks we've had since Christmas, it has been poor performance followed by good one and then back to a poor performance.

Cobham at home was disappointing, a game that had no real life. We managed to go one up and then switched off, eventually losing 2-1. A trait that has plagued our season. Our dear Shazza was keen to remind the lads that Cobham game adds to our tally of 20+ points dropped from winning positions, a tally that could see us near the the right end of the table should the results had gone our way.

Epsom & Ewell next and this game was the complete opposite. A stellar performance from start to finish. Regan Hitch and Stan Jones, were two standout performers. Also Mason Taylor (he'll bully me if I don't mention it) scored quite possibly one the best headers this league has ever seen. It is this type of performance that reminds the management staff why we back these players, it's because they are capable of special things when they want to be!

Our most recent game, Balham away, was again another dull game with little enthusiasm from either team. A game where we could've taken it by the scruff of the neck and easily walked away with three points, but there was an apparent lack of desire. This disappointment was compounded with another Jacob Wheeler injury who has been immense for us since returning from a groin issue earlier in the year.

As we look forward towards the run-in, it's imperative we get some positive momentum going. In this league, a run of 3/4 wins can shoot you right up the table, that's what we'll be pushing for!

All the best

2022 - 2023 | 10th Combined Counties Premier South

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

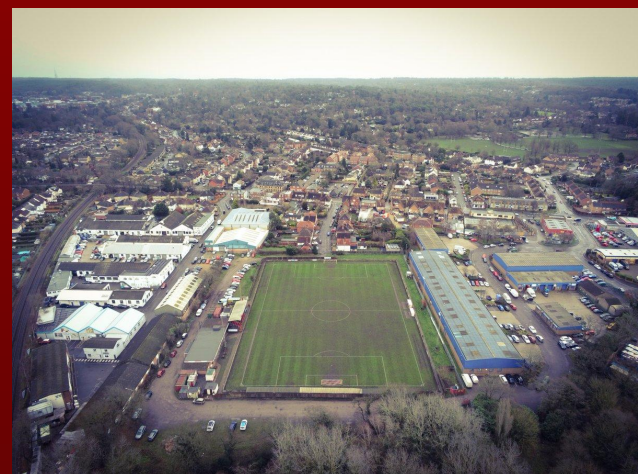

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

#TheKrooners

From the editor

I'd like to wish you all a warm welcome to Krooner park for today's match against Sheerwater. I'd especially like to welcome the players, management, committee and supporters here today.

Also to our visitors from Windlesham United Football Club on mascot duties.

Lets give a special welcome to their parents too, who, without driving them about and being stood out in the rain and cold they wouldn't get to enjoy the game they love. Its great to see you here today. Hopefully some of you will become regular visitors.

Happy New Year. Seems weird saying that as we are already nearing the end of January, but I hope everyone was able to enjoy a little down time over the Christmas period. 2024 is upon us and here's to a good year. If we can have a second half of this season like we did last campaign then we could be in for a treat. We have all seen enough in the lads so far to know that they can beat anyone in this league, they just need to play to their strengths, listen to the management team and built that winning mentality.

Including today we have 15 league matches left and home form will be very important because 10 of those 15 are here at Krooner Park. It is an old cliché but we need to build our home into a fortress.

90 Years ago today we beat Hershams 10-0 Here at Krooner Park, What we wouldn't give for a scoreline like that today. Not feeling that one in my bones though, to be honest.

We hope you enjoy the game and you have a safe trip home.

AFC Croydon Athletic

Formed : 1958

Home Ground : Eastwood Leisure Centre

Last Season : 16th Combined Counties Premier South

The London County Council started to build Sheerwater Estate in 1948, for families that wanted to move out of London and start a new life in Surrey. Around 1,380 houses were built at a cost of approximately £3 million. This prompted a community spirit from the early days, and football being the number one sport came into effect when groups of men started having a kick around at the Sheerwater Recreation Ground, this led to friendly matches being arranged.

Sheerwater Football Club was founded in 1958 by early members of the club, John French (also player) assisted by his wife Violet, Stan West, Ken May, Bill Hilleard, Herbert Taylor (also player), Syd Morris, Derrick Thomas, Colin McDermott, Dennis Hill (also player), Tom Coleman (secretary) and players John Murray, Micky Wedge, Chris Robinson, Jose Garcia, Tony Minchinton, Don Stevens, Michael French. Sheerwater joined the local Woking & District League adding newcomers Dennis King, Geoff Harrison, Lee Mason, John Rowse, Terry Jenkins, Jim Kelly, John Chamberlain, Tom & Doug Dillon, Mick Boot, John Cox, DonWake, Derek Bloom, tony Scamal, Ben Fuco along with school teachers Roy Rozier, John Hopper, & John Collin. We then progressed through the Divisions of the W&DL and obtained Intermediate status into the Surrey Intermediate (Western) League in the 1967-68 season. The club then progressed to senior level, and were promoted to the Surrey Senior League for the 1972-73 season with a highest finish of 6th achieved in the 1974-75 season. In 1978 following the loss of clubs to the London SpartanLeague, Hampshire clubs were admitted to the Surrey Senior League with the title of the competition eventually becoming the Combined Counties League.

In 1981-82 the League had reached 22 members, and as a consequence was split into East and West divisions. In a dreadful season with only one win and one draw the club finished bottom of the East division, 16 points behind Clarion and both Sheerwater and Clarion were relegated to the newly formed Surrey Premier league. In our first season in this new league we had a highest position of 5th in 1982-83. However in 1984-85 we finished only above the bottom side Heath End Wanderers and another relegation followed. Unfortunately the vacancy at the lower level was a position in the Surrey Intermediate (Eastern) Division. Fortunately after one season in the Eastern Division we were allowed to transfer to the Surrey Combination Premier Division for the 1986-87 season, but we were relegated at the end of the season. After twice finishing third, we were Champions of Division One in 1989-90 and promoted to the Premier Division for 1990-91, finishing in a mid-table position. However in June 1991 The Surrey Combination and Surrey South Eastern Intermediate Leagues merged, but we were able to move sideways to the Surrey Intermediate (Western) League. This was only for one season as we achieved promotion back to the Surrey Premier League. Our stay was, however, for only one season as we finished above bottom club Ashtead, only on goal difference, and were relegated once more. Yet again this was only for one season. In 1994-95 we were back in the Surrey Premier League and finished 9th. After many discussions the Surrey Premier league became the first division of the Combined Counties league for the season 2003-04. The Sheers were Division One League winners in 2019-20 season and were promoted to the Premier Division whilst ground sharing with Woking FC for three seasons. The club moved into their new facility the Eastwood Leisure Centre for their opening match with Woking Football Club on Saturday July 24th 2021. Sheerwater parted company with Manager Peter Ruggles at the end of season 2021-22 having joined us in February 2015. Our new management for season 2022- 23 were Michael Herbert & Darryl Jelly who resigned in November 2022. Sheers new management appointment for 2022-23 was John Comer who managed to keep the club in the Premier Division despite the difficulties finishing in 16th position. John Comer remained in charge for the start of season 2023-24 but was replaced in November by Gareth Price and David McHugh. Recently this month managers Gareth Price & David McHugh were been replaced by TJ Barbato & Sean Wallace to take over team affairs.
