Management Mutterings

Good Afternoon all,

I would like to extend a warm well to all of those connected to Spelthorne, and hope they enjoy their visit to Krooner Park.

Having started my third season at the club I have seen quite a bit of transition in the playing staff during the Gaffer's time in charge. This season I think he has done really well to keep the core players from last year and to bolt a few on (Will Shaw, Leo Spicer, Kingsley to name a few). However, despite the optimism and potential, we find ourselves in a bit of a rut coming into today's game.

Without a win in five, we know the pressure is on to turn it around. The management team have been working hard, reflecting on decisions made and where we could've done better. Players were on top form in training on Thursday night. This group is a ready to make a statement, we just need to press the right buttons to help make things click.

The game today will be tough. Spelthorne, like us, have had a mixed bag of results and I'm sure they will feel they should be sitting a little prettier in the league. They also have good away form, having won 3/5. Getting a positive result today is crucial, as that then sets up some positive momentum as we approach the November-December period where the games come thick and fast.

Enjoy the game, and I wish everyone a safe journey home.

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15. They came third in the 2015–16 season in the North division of the Combined counties league 2016–17 saw a sixth place finish and seventh the season after. 2018–19 saw a sixteenth place finish and with the 2019–20 season not finishing and the 2020–21 one not even starting due to covid, they started the 2021–22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022–23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground. Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 26 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

Spelthorne Sports FC

Formed : 1922

Home Ground : Springfield Stadium

Last Season : 15th Combined Counties Premier North

Spelthorne Sports Club has been providing sports for the local community since 1922. We pride ourselves in providing football to all, within the right environment, to persons of all ages and abilities, so they can enjoy and learn playing football. All our coaches and managers provide this voluntarily. In 2013–14, the Spelly won the Middlesex FA Intermediate Cup, beating Middlesex County Premier side Cricklewood Wanderers 3–0 in the Final. On 16 April 2014, Spelthorne Sports were crowned Combined Counties Division One Champions with a 2–1 win away to Epsom Athletic. They lifted the trophy 3 days later following an emphatic 7–0 win at home to local rivals Staines Lammas.

The Spelly also won the RPM Records Division One Challenge Cup against Staines Lammas at Windsor FC on 5 May 2014. A single second half Lee Staples goal was enough to make sure The Spelly lifted the trophy, winning the league and cup treble in the process. The team went on a phenomenal 46 game unbeaten run in all competitions that season, beating teams in cup competitions from higher divisions such as Frimley Green, Staines Town (on pens), Walton Casuals, Wembley, and Epsom & Ewell (on pens).

That unbeaten run finally came to an end on 7 May 2014 when they played Combined Counties Premier Division side Hanworth Villa in the Southern Combination Cup Final, losing 1–0. The game was played at home and marked the club's first ever game under the newly installed floodlights. The lads then suffered their second defeat of the season to the same opposition when the sides met again 3 days later in the Cherry Red Records Premier Challenge Cup Final, again losing 1–0.

The 2013–14 season was extremely successful for Spelthorne Sports. Winning two cup finals, and finishing runners-up in another two cup finals. However the biggest achievement by far was winning the league without losing a single game in the process. Winning 22, drawing 8, losing 0, scoring 92, and conceding 23.

Season 2014-2015 saw us in action in the Combined Counties Premier Division where we finished in a very respectful 6th position. Our first experience of the FA Vase occurred in September of this season with a win against Langford followed by another win against Risborough Rangers. Season 2015/16 saw our first appearance in the FA CUP with a 2-1 home win against Stotfold. We then travelled to Cogenhoe only to lose 3-0. The season continued with a change of management back under the control of Steve Flatman with support from Paul Burgess and Mark Harper.

Season 2016/17 saw us off to a great start in the FA Cup beating CCL Winners Hartley Wintney 4-3, only to fall at the next hurdle losing 2-3 at home to Andover Town. Season 2017/18 ended in us reaching our first Senior Cup Final against local rivals Hanworth Villa, only to narrowly lose 3-2 on the day. Season 2018/19 saw our best ever FA Cup runs and our highest Premier Division finish (6th place), having finished 8th, 9th, and 10th in our first 3.

Season 2019/20 will be remembered as the one that wasn't! However, we shall remember it as being 2nd in the table with Mark Harper, Daren Bulman & Andy Viney at the helm. Following this, we again had to deal with the COVID pandemic, and another cut short season.

That season saw a re-shuffle of step 5 leagues with Combined Counties now having North & South Premier Divisions. We are in the North Div and welcomed some new opponents to THE SPELLY! We also welcomed Jason Tucker to the coaching team.

At the end of the 2022/23 season, Manager Mark Harper accepted the offer to take over the vacant Manager position at Chertsey Town with Andrew Viney joining him. All of our support staff moved onto pastures new and so a new era has begun for Spelly in 2023/24. Myles Hook has taken over as First Team Manager, Dan Green as Assistant Manager and we welcomed Darren Bullen as First Team Coach. This season sees yet again a reshuffle of the league with Spelly transferring across Step 5 from the Combined Counties North Premier Division to the South Premier Division.

From the Editor

Good afternoon and welcome to Krooner Park, the home of Camberley Town F.C. for today's Combined Counties Premier Division South fixture. In particular of course to the Committee, Players, Management and supporters of our visitors Spelthorne Sports.

Since we started the season with 2 draws and 2 defeats in the League, results haven't gone the way we would have hoped. We have been unlucky in some games, and some we just haven't been on it enough. A lot of this can be put down to missing players, through holiday and illness and injury. Hopefully the luck there will change soon and we can start putting out a settled team and things will look up, we know what this team is capable of.

Luke and all the team work hard to get the best results we can and the disappointment we all feel with a lose is there for all to see. Sometimes it is hard to remember during the 90 minutes, but, at step 5 the football is competitive but it also need to be enjoyable. None of us do this for a living, so having a good place to be is very important. Here at Camberley we might not have the glamour of the profession game or the facilities of Wembley but we do have a good group of people who all want the same thing and do all they can to achieve it. Sometimes that can be just as, if not more important, than the results. Having said that there are a few cats in the local area that probably want a few more wins.

Talking of our happy band, football at this level is nothing without volunteers and like every club we would welcome more with open arms. We have various roles available and whatever your skills there will be something for you. As well as the matchday things, there are always one off things that need doing so if you can offer anything that you think might help please get in touch. If you look around the ground or the club house and think to yourself 'that could do with a bit of TLC', and if it is something you could do please mention it, we are not too proud to accept help. If you are reading these notes inside the ground then you are a fan or grassroots football and enjoyment it gives us. If you can, please help us keep that going.

'Come on you Krooners'

All the Best

England Deaf Men 3-4 Türkiye

Written by:
Frank Smith

England Deaf Men finished the World Deaf Football Championships in tenth position after a narrow 4-3 defeat to Türkiye in their final match of the tournament.

As soon as the Para Lions were edged out 1-0 by the USA in their round of 16 game, the focus immediately turned to trying to secure ninth place by winning three more classification fixtures. Sunday's 3-0 victory over Saudi Arabia and Tuesday's 2-1 win over Nigeria set up this ninth and tenth-place classification match in Kuala Lumpur.

But despite initially taking the lead through Abdou Jobe and a late fightback which included a brace from captain Jamie Clarke, the Para Lions had to settle for tenth position.

The Para Lions went ahead after eight minutes through Jobe, who finished well after Clarke's initial shot had been parried by the Turkish 'keeper Ersin Mert.

But Türkiye responded just three minutes later through Goktug Altay and then went ahead ten minutes before the breakthrough Esref Metin-Su.

A quick-fire double from Mehmet Aktas and Emirhan Dogan midway through the second half left England with an uphill battle, but they made a brave attempt at clawing it back thanks to Clarke's late brace.

His first came from the penalty spot, after Matt McQueeney was clattered by Mert in the box which also saw the Turkish captain cautioned.

Just a minute later it was 3-4 as a quickly-taken free kick from Cavell Donaldson put Clarke in for his second to set up a grandstand finish.

With Turkey reduced to ten men, England continued to press but without avail as Ali Metin's team hung on for victory.
