Management Mutterings

Welcome to Krooner park.

We would especially like to welcome the players, directors and supporters of today's visitors Jersey Bulls. It's great to see you again and we hope you enjoy the day.

Firstly, I would just like to thank everyone for the welcome I have received since I arrived at the club. I previously worked with Turks and Lee Pollard at Farnham Town but it has also been great working with Craig Green and Billy Ludlow on the football side of things. Thanks also to Dan Turkington and Andy Duff for making me feel part of things. Also, nice to work with some of the players again that I have been with at other clubs.

The early results and performances have been a bit of a mixed bag. Some really good performances and results coupled with the not so good. We have a really good, exciting young team being created here and it will take time, but the future is very bright. We are routinely fielding five or six recent products of the youth set up here and have often already this season had only two players above the age of 24 on the pitch. These are incredible achievements in themselves for a step five club and one that there is every intention of continuing. I have to say this helps make it the most harmonious dressing room I have ever been in. This season offers a great opportunity for the club to go and challenge at the top end of the table for play offs, something we will be doing all we can to achieve. A nice cup run or two would also be great. Always nice to finish the season with a day out and a bit of silverware!

On to today's game against league leaders Jersey Bulls. What a great opportunity for our young squad to test themselves against a quality side. Jersey are always right up there, and this season will be no different. I expect them to make play offs at the very least and today will be as tough as it always is against them. Jersey Bulls is always the first fixture I look for and I think the club bring an awful lot to our league. I think most clubs raise their game against them and whilst this does not help Jersey achieve their aims it is the biggest compliment anyone can pay them. The early kick off should hopefully yield a big crowd and I look forward to the game ahead with us hopefully attaining a positive result. I will also look forward to the return game although all we know about the date is that it will not be before Christmas. Last time I went to Jersey with

Turks and Lee we took Sky Sports with us. Not sure we can promise a repeat of that but who knows?!

Enjoy the game, and I hope the Jersey players, supporters and officials have a safe journey home.

2022 - 2023 | 10th Combined Counties Premier South

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15. They came third in the 2015–16 season in the North division of the Combined counties league 2016–17 saw a sixth place finish and seventh the season after. 2018–19 saw a sixteenth place finish and with the 2019–20 season not finishing and the 2020–21 one not even starting due to covid, they started the 2021–22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022–23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground. Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 26 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

There was a more innocent time when the most popular gamble in the country was the Football Pools and the winners often became media personalities. Most famous of those was Viv Nicholson who on September 30th 1961 with her husband won £152,319 18s 8d for a five bob (25p) bet. That was a win of over £3.5m in today's money. But she couldn't escape the media attention and within 5 years her husband had been killed in a car crash and she was nearly skint. Years later both a book and a West End musical about her life had the same title - *Spend, Spend, Spend*.

Jersey Bulls FC

Formed : 2018

Home Ground : Springfield Stadium

Last Season : 4th Combined Counties Premier South

Founded in late 2018, Jersey Bulls is the most southerly football club in the English football league system. Following the footsteps of Guernsey F.C., the Bulls was conceived by Chairman Russell Le Feuvre to give Island players an opportunity to test their abilities in a more competitive environment on the mainland. It also gives islanders an opportunity to support a club side in Jersey that competes nationally like the Jersey Reds and Team Jets do in rugby and netball respectively. On 30th November 2018 the Bulls received F.A. approval for their bid to join the English football leagues and a month later the Combined Counties League approved their membership bid to join Division One for the 2019-20 season. The Bulls announced ex-Island representative player Gary Freeman as manager and signed up 32 local players. On 6th July 2019, the Bulls played their first match in a friendly at their home ground at Springfield Stadium against E.F.L. League Two team Stevenage, losing 3-4. Striker Fraser Barlow made history when he put the Bulls in the lead to be the clubs first goal scorer. Another friendly ten days later saw a 0-3 reverse against Leicester City U23 before a further leap into history was made when Bulls hosted their first league match against Ash United, winning 3-0. Barlow once again opened the scoring, followed by goals from Karl Hinds (penalty) and Harry Cardwell. That win began an unexpected and sensational run of 27 league wins out of 27 matches, with Bulls sealing 'promotion' to the Premier Division with their 27th victory, a 2-0 win at home to British Airways, their amazing achievements bringing the attention of the national media. Then the world went into lockdown due to the global pandemic, all league football was suspended before the F.A. made the decision to cancel the remainder of the non-league football season and render all of it null and void, in effect expunging Bulls' record-breaking season as if it never happened. 2020-21 meant Bulls had it all to do again in Division One of the Combined Counties League but after four league wins and an opening round victory in their first F.A. Vase match it was another lockdown.

However, promotion was eventually gained to the newly formed Combined Counties Premier Division South under the F.A. re-structure of the "non-league pyramid". This was based on the points per game average gained in league matches over the two abandoned seasons and with the only 100% record the Bulls were ranked first nationwide. Continued restrictions meant that Jersey entered the 2021-22 season without having played any pre-season friendlies. Those that had been arranged having had to be cancelled. Early league fixtures were all played away and some difficult opponents met early on. In contrast early success came in the F.A. Cup and the F.A. Vase, notably the former. A 10-1 win over Horsham Y.M.C.A. was the best debut match win in the competition since 1945. Further victories over Newhaven and the higher division V.C.D. Athletic led to a trip to Sutton Common Rovers, also senior in status to Jersey. A commendable draw led to an expensive return trip to the same venue a few days later as per the competition rules for offshore clubs. A 3-2 victory was inspired by a spectacular goal from Sol Solomon that featured on national television and was later celebrated in the local stamp issue celebrating 150 years of the F.A. Cup.

Chertsey Town put an end to the run with a solitary goal in the Third Qualifying Round in front of a record home attendance of 1,611. Only four league games had been played by the time of the F.A. Cup exit and three more league games would have to be fitted in on midweek dates later in the season. Nevertheless, the league campaign was then tackled in earnest and by the beginning of March Jersey were in a three-way tussle for the two promotion places. However, just when it was hoped that the season would end with a string of home fixtures it was announced that Springfield would be closed for its longdelayed re-development. That meant that three “home” fixtures would have to be played in England so there would be a run of seven fixtures “on the road”. Only one of them was won and with their rivals maintaining their momentum any promotion chance was gone. Regrouping the team won their last four matches back at Springfield to finish the season in fourth place after their first season at the higher level.

A review of the season led to the heart wrenching decision to withdraw the club’s entry to the F.A. Cup for 2022-23 partly due to the restrictions placed on offshore clubs. It was hoped this would enable them to concentrate on their league and F.A. Vase campaigns. Continued success in the latter would also add to fixture re-arrangements, but as the rounds are about a month apart it was felt that these can be more readily accommodated. The season promised much but the two main goals proved to be beyond them. In the league they spent the season chasing Raynes Park Vale and Badshot Lea but lost at home to both of them as well as to three other teams. On the other hand they did not lose on their travels until their final trip, to Raynes Park Vale. Technically they also “lost” one other when they conceded to Colliers Wood United after they were twice fog bound at their home airport in late April. In the F.A. Vase Jersey won six matches before going down to the only goal of the game to the holders Newton Pagnell Town in the last sixteen. The island of Jersey is geographically nearer to France (only 14 miles) than England (87 miles) and entering a club in the national league presents a major challenge both logistically and financially. Bulls and their opponents have to fly to or from Gatwick airport to play each other so the club has to rely on the generous support of their commercial partners to survive. With a population of just over 100,000 people on an area of only 45 square miles, Jersey is classed as a “crown dependency” , independent in status from the U.K. and having its own laws and government. It also has its own currency and its own language, Jérriais – a Norman language, similar to that spoken by William the Conqueror, although you might be hard pressed to hear anyone still speak it unless you find yourself at the Farmers Inn!

From the Chief

Good afternoon and a warm welcome to Krooner Park the home of Camberley Town F.C. for today's Combined Counties Premier Division fixture. In particular of course to the Committee, Players, Management and supporters of our visitors Jersey Bulls from there beautiful island.

They are having a great start to the season and currently lie top of the pile in our league with 19 points from their 9 league games played. They will be tough opponents today but we will be going all out to try and record 'back to back ' wins and avenge those defeats from last season. So far we haven't beaten Jersey but... Jersey and CTFC fans will like that we have never lost to your Island neighbours Guernsey!

On Tuesday everyone at CTFC was absolutely elated following our fantastic 4-2 cup win over Yateley United in the first home game under floodlights in their history. It was particularly satisfying for the couple of players that have come through their system and ended up with us.

Our season so far has seen some good performances but a mixed bag of results. We still maintain to field a very young squad that contains several of our Youth Team players. We have recently welcomed back some senior players from injury but have lost our club captain Steve Lee for a few months as he is traveling the world.

Play as I know you can today lads and I'm sure you will get something from this difficult fixture.

I know all CTFC stakeholders and fans are awaiting further information regarding the proposed development of Krooner Park. We have received fantastic vocal support from the council especially our ward councillors Kel and Lisa Finan Cooke. We have almost compiled the Full planning application for submission to the council. We are now just awaiting a few additional reports, so we are not tripped up along the way through planning. I will endeavour to keep you all updated as it progresses.

Back to today, I hope you all enjoy the game and as always thank our home fans for their continued amazing support which is really appreciated.

'Come on you Krooners'

Best Wishes

Dan Turkington

Report: England Deaf Men 4-1 Australia

Written by:
Frank Smith

England Deaf Men got their World Deaf Football Championship campaign off to an impressive start with a resounding 4-1 win over Australia.

The Para Lions dominated their opening match in Kuala Lumpur from the first minute to the last but found themselves going behind to Australia's first real chance of the match on 37 minutes.

But England were more clinical in the second half as they grabbed the goals their performance deserved, with Joe Dixon bagging a brace plus Abdou Jobe and Jamie Clarke also finding the net.

Sam Manoochehri's side were passing the ball around well from the off and had a number of good chances early on. Jobe had a goal-bound shot blocked on the line following good work from Matt McQueeney and Phil Swift forcing the impressive Max Shanahan into a fine stop with a long-range strike.

Oliver Manoochehri went close twice in quick succession, as he headed Swift's lovely diagonal ball goalwards and also curled a free-kick on target. But on both occasions, Shanahan saved well.

The Australia goalkeeper was keeping his side in the contest and saved from Manoochehri again from close range after he was put through on goal by captain Clarke.

And Australia were to go ahead on 37 minutes through some more outstanding play, this time by Julian Rodriquez, who controlled the ball on the edge of the box and arrowed a strike powerfully into the top corner from outside the penalty area.

There was still time for Shanahan to make another save, this time to deny Clarke, before the interval as England headed into the break 1-0 down.

But within 60 seconds of the restart, the Para Lions had equalised when another low pass from Clarke was bundled in from close range by Dixon.

Head coach Sam Manoochehri decided to make a change ten minutes later as Cavell Donaldson replaced Oliver Manoochehri, meaning Jobe was moved into a more central position.

And the tactical switch paid off immediately as Jobe closed down the defender to win possession before rounding the goalkeeper and slotting the ball home. The Para Lions increased their advantage to 3-1 eight minutes later when, following another Swift low drive was saved, the dangerous McQueeney showed great skill on the right before delivering a cross which was headed in by Dixon for his second goal of the match.

There was almost a fourth when another substitute by Sam Manoochehri almost paid off immediately, as replacement Kehmati Anderson laid the ball across to Donaldson, but he fired over the bar from close range.

The fourth did arrive in the final ten minutes though as a slick counter-attack saw Rylan Casey backheel to Anderson and he showed slick feet before pass to captain Clarke, who rifled the ball in from just inside the penalty area.

The dangerous Rorriquez did force England's Alex Smith into a routine stop late on but the game was to finish 4-1 to the Para Lions.

Report: Nigeria 1-5 England Deaf Men

Written by:

England Deaf Men made it two wins from two at the World Deaf Football Championship with a 5-1 victory over Nigeria.

The Para Lions had to endure some nervy moments in Kuala Lumpur though, with goalkeeper Alex Smith saving penalties in either half.

But first-half goals from Jamie Clarke and Abdou Jobe, plus two more from Oliver Manoochehri and Will Palmer late on, meant their side retain a 100 per cent record heading into their final group game with Gabon on Wednesday, having beaten Australia 4-1 in their opening match.

Nigeria had a golden opportunity to take the lead after just five minutes when Salaudeen Saleh intercepted a back-pass and went down in the penalty area under what appeared to be minimal contact with goalkeeper Smith. The Nigeria forward stepped up to take the resulting penalty but it was well saved low to his left by Smith.

Nigeria were causing England real problems and moments after Saleh had shot over when one-on-one, he then got in behind once more and laid the ball off to John Agbaji, but his goal-bound effort was blocked close to the line by Joe Dixon. The Para Lions centre-back, who bagged a brace in the opening match, almost scored in his own net when Smith had to tip over his backwards header.

But England weathered the early onslaught and took the lead on 16 minutes when Matt McQueeney squared to Clarke and he finished confidently.

Clarke then had his second ten minutes later when Harry Boorman showed quick feet and released the England captain, who rounded the goalkeeper before scoring in an empty net.

Abdou Jobe then added a classy third shortly before half-time when he rolled the defender following a throw-in, and skipped past another man before drilling the ball into the bottom corner from just inside the penalty area.

Similar to the first half, Nigeria started brightly after the restart and Saleh shot wide minutes into the second period. And like the opening half, they were awarded another penalty, this time when the ball rebounded up and hit the arm of Ellis McLean from close range. But just like the opening half, Smith was equal to the effort, this time saving Adeola Adegoke's effort low to his right.

Nigeria did score a few minutes later though when Saleh was put in behind the England defence and squared the ball to Agbaji for a simple tap-in to make it 3-1.

Substitute Kehmati Anderson almost restored the three-goal advantage when he curled a long-range effort over the goalkeeper's head but it struck the crossbar. The forward then released Clarke soon after but this time the captain's finish went wide.

England were to add gloss on the result though with two late goals. First, replacement Manoochehri expertly glanced in a header from a corner before Boorman's deep cross was volleyed across goal by Cole Neil, leaving fellow replacement Palmer with a tap in.

England: 1 Alex Smith, 2 Harry Boorman, 3 Dylan Cross, 4 Phil Swift, 5 Matt Oaten, 7 Abdou Jobe, **8 Ellis McLean**, 9 Jamie Clarke ©, 11 Matt McQueeney, 12 Joe Dixon, 14 Cavell Donaldson

Report: England Deaf Men 5-0 Gabon

Written by:

England Deaf Men ensured they topped Group D at the World Deaf Football Championships with a dominant 5-0 win over Gabon.

The Para Lions headed into their final group game knowing their place in the last 16 was already secure courtesy of their 4-1 win over Australia and 5-1 defeat of Nigeria. But the top spot in Group D was still up for grabs in Kuala Lumpur, with Gabon also boosting a 100 per cent record heading into the clash. However, a hat-trick from captain Jamie Clarke plus goals from Oliver Manoochehri and Will Palmer ensured the victory was never in doubt.

England's focus now turns to their last 16 clash with the USA. Head coach Sam Manoochehri made six changes to his starting line-up against Gabon, as Sam Edwards, Rylan Casey, Oliver Manoochehri, Drew Rowley, Henry Bowe and Kehmati Anderson all came into the side.

England thought they had taken the lead after just 25 seconds when Harry Boorman's volley was diverted in by captain Clarke but the offside flag was raised.

The Para Lions were totally dominant in the first half, as Clarke hit the side-netting, Anderson had a shot blocked and Gabon needed a last-ditch clearance and a save to deny Manoochehri twice in quick succession. But their dominance paid off six minutes before half time when classy midfielder Phil Swift showed good feet before picking out Manoochehri and the striker controlled expertly to create the space to slot home.

And it was more good work from Manoochehri which led to England's second goal in first-half injury-time as he closed down the goalkeeper's clearance and Clarke was left with the simplest of finishes.

There was still time before the interval for England to grab a third as a superb cross from substitute Cavell Donaldson was nodded home at the back post by Clarke.

Within five minutes of the restart, Clarke completed his hat-trick as he latched on to Gino King's through ball and dinked over the on-rushing Gabon goalkeeper.

England's fifth goal arrived soon after when substitute Will Palmer headed King's corner into the roof of the net.

England: 13 Sam Edwards, 2 Harry Boorman, 4 Phil Swift, 5 Matt Oaten, 6 Rylan Casey, 9 Jamie Clarke ©, 10 Oliver Manoochehri, 11 Matt McQueeney, 16 Drew Rowley, 17 Henry Bowe, 20 Kehmati Anderson
