Management Mutterings

Good evening everyone,

It's been 3 weeks since our last game here at Krooner Park which was a slightly disappointing 2-2 draw against an improving Sheerwater side. With only 3 games played in January, the month ended up looking like a breakdown of our inconsistent season so far. Won 1 Drew 1 Lost 1! All 3 games were winnable on paper and we started off with a thumping away win at Epsom. Followed on from this was an away defeat by the odd goal to Balham and then the draw at home to the Sheers. I honestly don't think I've been involved with a team that blows so hot and cold from one week to another. Most of the teams I've been with have been consistently poor to be fair (!!) but this team can go from Real Madrid to Rochdale in a matter of seconds and this is something that needs addressing before the start of next season.

How do we fix it? Well, that's the million dollar question but rest assured that everyone connected with the playing side of this football club will be looking to answer it. The club is in an improving state off of the pitch and we just need to get it right on a consistent basis on it. Saying that, we're such an extremely young side that you can expect inconsistency but we've got some fantastic young players here and it's about building for our future. Last weekend saw us go down 2-1 away at Tooting and Mitcham and the week previous to that was a great away win at Guildford City. Again, 2 results and performances that were miles apart but it's about everyone remaining balanced and picking up points where we can. On to tonight and this is a tough one! We were soundly beaten at Redding Way earlier this season but we did manage to get the 3 points here at KP last year. The management team at Knaphill are constantly updating and improving their squad but they manage to keep things consistent and are currently second in the division. Taking in to account our form this season, tonight's result is anyone's guess but let's keep our fingers crossed that it's a home win by the end of the evening. Enjoy the game!

All the best

2022 - 2023 | 10th Combined Counties Premier South

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22 December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

#TheKrooners

From the editor

I'd like to wish you all a warm welcome to Krooner park for today's match against Knaphill. I'd especially like to welcome the players, management, committee and any supporters here tonight.

We are getting towards the business end of the season now and although in honesty we are not looking at either end of the table with our games to come we could have an impact on those that are.

We want to try and end our season as we did last season, but it will be a tough ask.

Including today we have 12 league matches left and home form will be very important because 9 of those 12 are here at Krooner Park. It is an old cliché but we need to build our home into a fortress.

We hope you enjoy the game, you managed to stay warm and you have a safe trip home.

AFC Croydon Athletic

Formed : 1924

Home Ground : Redding Way

Last Season : 7th Combined Counties Premier South

The club was founded in 1924 and originally played its home games at Waterer's Park, Knaphill. Over the years the club have been one of the most successful sides in the Surrey and many players have gone onto to play at higher levels of football.

In 2004 we moved to our present home of Redding Way, Knaphill and in 2007 we won promotion to the Combined Counties Football League where our first team currently compete in the Southern Premier Division.

We are an FA Standard Charter Club. Accomplished on the field and professionally organised behind the scenes, we are rightly proud of our highly regarded set-up and football achievements down the years. Our ambition to compete successfully at the highest levels of the amateur game is underpinned by a young and exciting squad, a talented and hard-working staff and the ceaseless efforts of our management committee through whose vision and dedicated service we are constantly striving to improve every aspect of the club's operations. While there is much that is both contemporary and progressive about our set-up, our fiercely competitive spirit on the pitch and the warm and friendly welcome extended to all in our ground are traditions which have been handed down from generation to generation through the best and worst of times since our earliest beginnings in 1924.

Towards the end of the 2010/11 season the new floodlights and seated stand were installed which enabled us to continue in our leagues and to compete in the FA Cup, FA Vase, Surrey Senior Cup and FA Youth Cup. Since then, we have added a further 50- seater stand as well as additional covered standing areas. Despite the turbulent seasons of 2020/21 and 2021/22 with a new management team and now in 2022/23 with Chris Drane as the new chairman, we are committed to firstly lifting this local club to the highest level the facility can host – with an eye of blending experienced seasoned players at this level with exciting younger players we are hoping to have a successful season. We base this success on being self-sustainable, through our hard-earned sponsorship deals and dedicated staff providing a top-class experience of level five semi-pro football.

Today, we are proud to carry on these traditions and long may they continue to be the things by which we are known. For a small village club in our 100th year, we will continue to grow from strength to strength with help from the local businesses and supporters, we look forward to many new faces coming down to Redding Way to see what we are all about.

CAN YOU HELP?

As a local community football club we are in need of help and are asking for support from local business leaders to get through this challenging time for grassroots sport. Below are a number of sponsorship packages that we have drawn up, as we aim to raise funds to get us through the season. Can you help?

Match Sponsorship

As match sponsor the business will receive 4 complimentary tickets to the game and will receive Tea or Coffee in the hospitality area.
