Management Mutterings

Hello everyone.

First of all I hope everyone had a good Christmas and enjoyed it.

Welcome also to the players, supporters and officials from Cobham FC

The last home match we played was against Fleet Town. An improved Fleet side with more structure in what they're doing. They made it difficult for us to do anything to break them down in the first half, but likewise we too were structured and made it difficult for them. At half time both teams were forced to take players off if a player had been booked. It's not great to do that when you know the game could have been decided by the man in the middle, but it was what both teams done.

In the second half, we made more grounds to attack and kept pushing to try and find a winner and it was nice to finally unlock Fleet late in the game, and we just did enough in time to grab another win. Not the greatest of games to watch but will take the win. It's another victory at home and we're looking strong at home so we hope for another 3 points before the years out.

We moved onto Farnham Town just before Christmas and what can I say... we gave it a go! The rumours were true and we did try something different. we didn't sit back and we competed toe-to-toe with them. It was always going to be tough to get something out of the game, but I was real proud of the players, particularly first half as a soft penalty conceded was the only goal in the half and we had some great chances to go in front. So the guys delivered the instructions on the pitch and the game plan looked like something Farnham hadn't come across this season so it took them more time to work out. If we can repeat anything of that performance into the next few games. I'm sure we're going to have some better results coming our way. A bit flattering the result, but it looks like all teams are getting done by that result or more so it's not the end of the world.

We move on to today where we hit Cobham at a time where they look good and progressing well in the F.A Vase.

We knew we threw away three points over there a month back, but give credit where it's due to Cobham they never gave up and in the end deserve to pick up all three points. But we simply can't let that happen again, particularly today as we hope to see out 2023 with a win.

I hope everyone has a happy New Year and will see you in the New Year away to Epsom & Ewell.

The club was established in 1895 after a discussion at St Michael's church, and was originally named St Michael's Foot-ball Club, although they became known as St Michael's, Camberley.

The first match, a friendly, was played on 16 October against D Company from the Royal Military College in nearby Sandhurst, St Michael's won 4–2. In January 1896 they joined the Surrey County Football Association, entering and winning the Surrey Junior Cup in 1897–98; the club's first competitive game was played on 16 October 1897, a Junior Cup first round match against Farncombe which St Michael's won 5–2. After winning the cup, the club joined the East & West Surrey League for the 1898–99 season.

In January 1901 a public meeting was held, at which it was decided to establish a new club that would absorb both St Michael's and Camberley Magpies. The name Camberley & Yorktown was adopted and the club took St Michael's place in the East & West Surrey League. However, they dropped into the Aldershot Combination in 1902, before switching to the Ascot & District League in 1903. The club finished as runners-up in their first season and went on to win the league in 1904–05. They were runners-up again in 1905–06, before winning a hat-trick of successive titles in 1907–08, 1908–09 and 1909–10, remaining unbeaten throughout the third of the title-winning seasons. The season also saw them win the Surrey Junior Cup for a second time, beating Sutton United 2–0 in the final. In 1910 Camberley & Yorktown returned to the East & West Surrey League, which had been renamed the West

Surrey League. In 1912–13 the club also entered the three-club Aldershot Senior Civilian League, which they won. They went on to win the West Surrey League the following season.

In 1922 Camberley & Yorktown were founder members of the Surrey Senior League. They won three successive titles in 1930–31, 1931–32 and 1932–33 and were runners-up in 1938–39. After World War II the club was renamed Camberley, and were Surrey Senior League runners-up in 1946–47, before winning the league's Charity Cup in 1951–52 with a 4–3 win over Chertsey Town. The club were league runners-up again in 1961–62, and adopted their current name on 2 June 1967 after merging with former Parthenon League club

Camberley Wanderers. In 1973 they joined the Spartan League, but left to join Division Two of the Athenian League in 1975. In 1977 they switched to Division Two of the Isthmian League, and were promoted to Division One after finishing as Division Two runners-up in 1978–79. Two seasons later they were relegated, and after a single season back in Division Two, they rejoined the Athenian League, which now had a single division.

In 1983 Rick Wakeman became the club's chairman while he was living in Camberley. He remained in this post until 1986 when he was elected Vice-President, and left the club when he moved to the Isle of Man in 1988. In 1984 the Athenian League disbanded; Camberley rejoined the Isthmian League and were placed in Division Two South, where they remained until being placed in Division Three following league reorganisation in 1991. In 1998–99 the club reached the first round of the FA Cup for the first time. Drawn against away to Third Division Brentford, they lost 5–0. Division Three became Division Two in 2002, and Camberley remained members until the end of the 2005–06 season, when they dropped into the Premier Division of the Combined Counties League through the FA's re-structuring of non-league football. They were runners-up in the division in 2013–14 and 2014–15.

They came third in the 2015-16 season in the North division of the Combined counties league 2016-17 saw a sixth place finish and seventh the season after. 2018-19 saw a sixteenth place finish and with the 2019-20 season not finishing and the 2020-21 one not even starting due to covid, they started the 2021-22 season in the Combined Counties Premier Division South and Manager Luke Turkington oversaw a twelfth place finish on 44 points. 2022-23 Season was an improvement on the previous finishing tenth with 52 Points, with a fantastic run of 1 defeat in the last 14 league games of the season, that was at a time when games were coming thick and fast as the season had to be extended by 2 weeks to make up for the bad weather earlier in the campaign.

GROUND

In 1898 the club started playing at the new Recreation Ground on London Road, although they also used a pitch near Southwell Park Road when the Recreation Ground was unavailable and had moved there permanently by 1905. They played there until moving to Martin's Meadow in 1909. However, when the tenancy came to an end, the club returned to the Recreation Ground.

Since 1923 the club have played at Krooner Park on Wilton Road. The ground was paid for with the winnings of a horse named Krooner who won two races at Haydock Park Racecourse in 1920.

It was officially opened on 22nd December 1923. Due to financial difficulties Krooner Park was sold back to the local council in 1939 with the council guaranteeing that the ground would be retained in perpetuity and that it would be rented to the football club, giving them priority whilst they remained in existence. In the mid-1960s the club asked the council to leave Krooner Park and build a new ground at South-cote Park Farm, but the request was rejected due to the amount of engineering that would be required.

Floodlights were installed at the ground in 1974, with the first floodlit match being a friendly against Crystal Palace on 14 October. The attendance at the match, which ended in a 1–1 draw, was around 3,100, a ground record. The highest confirmed attendance at Krooner Park was 2,066 when the newly-formed Aldershot Town visited for an Isthmian League Division Three match on 10 November 1992.

#TheKrooners

From the editor

I want to wish you all a warm welcome to Krooner park for today's match against Cobham, especially everyone from our visitors.

Seems like an age since our last game here against Fleet where we came up with a late goal to take the 3 points. So much happens around the Christmas period that it feels a lot longer than a couple of weeks ago.

Today is our last game of 2023 and another 3 points at home will be a great way to sign off the year. We have just had the 100th Anniversary of the first game at Krooner park and hopefully 2024 will be the start of 100 more.

From a personal point of view, Camberley is a great club to be involved with, it is what lower league football is all about, enjoyment. We would all be doing what we do in the premier league if we were not motivated by having some fun. Camberley Town FC is a hobby for me and if I didn't enjoy it I wouldn't bother, I think everyone at this level is the same. Having a place to go where you feel valued by other people and can add something to keep this merry band ticking along is a great way to spend a few hours a week. It has a family feel about it and is a very welcoming place to be. If there is anyone reading this who has even tiny thoughts about helping out at their local club (Camberley being the first point of call obviously) do it, they will likely welcome you with open arms. Turnstile operators, stewards, hospitality hosts, Photographers, media team, grounds team. There is always something to do, and help will always be needed even if it is every now and then, volunteering as a plumber, painter, chippy, sparks and many more are skilled trades that would be great if we could call on when we need help. If when at the ground you see something that you think, I could fix that... let us know, we would probably be OK with you fixing it.

Thank you all for your support this year it is really appreciated, and we'll see you all in 2024 have a happy and prosperous New Year.

Andy

Cobham FC

Formed : 1886

Home Ground : Reg Madgwick Stadium

Last Season : 11th Combined Counties Premier South

Cobham Football Club was formed on Friday 5 November 1886 by Founding President, Hon. Alan Egerton MP and villagers connected with the local Coffee Tavern. The Vicar offered to supply it with a football.

On 4 November 1890, The Evening Telegraph reported on the death of our Centre Half, Arthur Smith, following injuries sustained in a match vs Kingston Wanderers.

In 1892, the Club affiliated to the Surrey FA. The home ground was never settled with various fields around the outskirts of the village being used at different times.

During the late 1920's they played in the Kingston and District League winning division 1 in 1928/29 and 1929/30. Following the Club gaining intermediate status in 1933, Cobham won the Surrey Intermediate League Cup (Central) in 1933/34 and 1935/36.

The Club achieved senior status in 1938 upon election to the new Surrey Senior League.

The war years between 1939 to 1945 saw a vote to agree a temporary merger with the Avorians Sports Club to form Cobham Avorians to ensure local football continued.

After the War, the Club made home at Cobham recreation ground until 1955/6 when it moved to Anvil lane also known as the Leg o' Mutton field. The club took its nickname from the word anvil and thus became the Hammers.

Phil Walker and Trevor Lee of Millwall FC and Cricketer Bob Willis of Surrey & England are amongst famous ex-players.

During the 70's, 80's and 90's the club had a really good local feel with the ground being a vibrant hub of football. The World Famous Rock Band, Moody Blues, played an Annual Charity Match at Cobham Football Club, giving us our record attendance of 2,000 in 1974/75.

The floodlights were installed in season 1996/97 and were christened with a game against Conference side Woking FC on 18th February 1997.

The Hammers were founder members of the Combined Counties League moving up from the now defunct Surrey Senior League. They finished second to Ash United in 1998/9.

Amongst long serving stalwarts such as Dave Tippetts who first joined the club in the 1980's, the pride of place on the clubhouse wall goes to a painting of Reg Madgwick, who served as player, committee member and fund raiser. When he died in 1995, he requested his ashes be scattered on the pitch and left all his worldly possessions to the club and the decision was made to rename the ground The Reg Madgwick Stadium in his honour.

The Club won the Combined Counties Premier League Challenge Cup in 2001/02 beating Bedfont FC 3-2.

After the stand went up in 2004, the club was a mainstay in the Combined Counties Division 1 under the overall guidance until 2015 of the late Ken Reed who died in 2018.

After a new committee was elected in 2015 led by Dave Tippetts, the club has built its Junior football with 16 sides to compliment the men's team and the new seated stand, new fencing and the dual turnstile were put in during April 2016 to allow the ground to achieve a Grade D (Step 4) rating.

2017/2018 saw the club promoted to the Combined Counties Premier Division under the guidance of Sam Merison and the introduction of an Under 23 side to support the first team. In August 2019 the club was awarded the status of FA Charter Standard Club.

During the covid years, Cobham enjoyed record cup runs in the FA Cup (1st qualifying round) and last 16 of the FA Vase in 2020/21.

The club most recent trophies are the unique weekend double achieved by our Under 23's winning the Surrey Elite Intermediate League's Reserve Division Covid Cup & Challenge Cup in 2021.

This adds to their 2019 triumph over SCR FC under 23's also on penalties to win the Combined Counties Development League Cup.

Committee Stalwarts such as Ewemade Orobator and Mark Cornish have helped to grow the club and gain many of the town's businesses on board as sponsors and suppliers.

In 2023 the club opened a brand new state of the art 3G facility which puts the Hammers on a firm footing for progression with the town and community at the heart of our plans.

Advertising Board - £250.00 Banner - £100.00

Email the club at info@camberleytownfc.co.uk to make the arrangements to fix your sponsorship.

Way Back when

Figured we start an occasional (as in, as and when I find or am sent stuff) feature of Krooners related items from the past. If you have anything please send it in info@camberleytownfc and we'll try to feature it in a future programme.

Today we feature Camberley Youth Chairman Barrie Funnell back then he needed to worry about brushing his hair, but somehow still forgot.

BARRIE Funnell and three other young fans of Camberley Town soccer club have recently notched-up over £350 to help the club they love.

In a sponsored walk to Egham, they not only brought in much-needed cash, but Camberley chalked up their second win of the season in division two of the Vauxhall-Opel League.

They are planning more fund-raising in the hope of keeping struggling Camberley in the Vauxhall-Opel League.

★ Anyone who would like to help lease telephone Barrie Funnell on Camberley 20634.

Barrie said: "We would like to thank Egham for their hospitality, and to everyone who donated — especially Marconi who were our main sponsors."

● In the picture above from left to right are the four loyal and active fans: Brett Lamplough, Barrie Funnell, David Feldwick and Rusell Kirkwood.

★ With more dedicated fans like these, Camberley would surely start making rapid progress. *Good for you lads.*
